

# NEW LIQUOR BILL CALLS FOR MANY CHANGES

## B.C. Lumbermen To Place Exports In New Markets

Leaders of Industry Gather at Vancouver and Discuss Course to Be Taken if U.S. Congress Imposes Import Duty on Dressed Softwoods of This Province

Canadian Press  
Vancouver, March 24.—Measures to be taken to find new markets for the threatened action of the United States Congress to impose a duty on British Columbia softwoods finally materialized at a special meeting of the B.C. Lumber & Shingle Manufacturers' Association, in the board room of the organization in the Metropolitan Building here to-day.

The meeting, which started at 11 a.m., was primarily called to discuss internal organization of the lumbermen's group. With events moving swiftly at Washington, however, and the tariff finally taking shape, British Columbia lumbermen are already preparing to find other markets to replace the volume of United States business which is expected to be shut off.

Forty or fifty lumbermen, representative of all large coastal mills, attended the session, which concluded this afternoon.

**\$150 A THOUSAND**

The duty, amounting to \$150 a thousand, is proposed by the U.S. Senate to apply to fir, spruce, pine, hemlock and larch lumber, railroad ties and telephone poles.

The proposed duty was first designed to keep out imports of rough lumber from Russia, but it is now proposed to apply it to dressed imports and allow the rough lumber to enter the United States duty free.

The Senate proposal must go to conference with the House, whose approval is needed if it is to come into force.

## POLICE KILLED FOUR BUFFALO AUTO THIEVES

Fifth Man, Wounded, Escaped From Hospital While Surgeons Out of Room

Buffalo, N.Y., March 24.—Four men, one of them identified as the slayer of Patrolman Carl Wunderlich last month, were killed early yesterday in pistol duels with Buffalo detectives, and a fifth man, known to the police, managed to make a sensational escape, after a capture, from the City Hospital, although wounded.

Those killed were Walter Krajewski, twenty-one, who was charged with the killing of Patrolman Wunderlich; Henry Piotrowski, twenty, also charged with the killing of Patrolman Wunderlich; Edward Domkiewicz, seventeen, a brother of Peter Domkiewicz, paragon of the "Blonde Bandit"; and the man who recently tried to cut the throat of David Glickstein, jeweler, in Supreme Court; and John Dzadzanski, twenty.

**CLAIMED BY RELATIVES**

The bodies of the four youths, alleged automobile thieves and stick-up men, were sent to the morgue and were later claimed by relatives. In one of the bodies, that of Piotrowski, eleven wounds, made by shotgun slugs and pistol bullets, were found by Dr. Charles E. Long, medical examiner.

The men were riding in stolen cars. The police were members of the automobile squad of the force.

The wounded man escaped from the operating room of the City Hospital while the surgeons, who were about to operate on him for two bullet wounds, were temporarily absent. The man climbed down a fire escape from the third floor, leaving a trail of blood behind him.

**TWO BOYS DROWNED**

Jennings Lodge, Ore., March 24.—Delmar Briggs, thirteen, and his cousin, Charles Howerton, thirteen, Ardenwald, Ore., were drowned near here yesterday in the Willamette River when the rowboat in which they had crossed the river overturned. The bodies have not been recovered.

## WHEAT AT WINNIPEG GOES UP AFTER RAID BY BEARS

Canadian Press  
Winnipeg, March 24.—Bear traders cracked the whip on the Winnipeg Grain Exchange to-day and made wheat prices dance downward as far as three to three and one-half cents, but values turned, snapped upward, and finished three-quarters of a cent to an even cent higher than Saturday's close.

Heavy buying, credited to eastern interests, was quoted as the reason for the late rally.

May wheat, which with the other futures cracked open to the extent of about a four-cent loss on Saturday

## PLANS RECORD HOP AROUND THE WORLD

Famed for record-breaking trips around the world in slower vehicles, John Henry Mears, business man-adventurer of New York, now is learning to fly so he may be co-pilot on a globe-gridding plane flight. He hopes to take off from New York in April with Bert Balchen, who piloted Rear-Admiral Byrd over the South Pole, in an attempt to set a new record. Mears is shown above in airman's togs as he appeared at a Camden, N.J., airport.

On his last record round-the-world trip Mears arrived the evening of July 20, 1928, in Victoria with his pilot, Capt. C. B. Collyer, and their plane, aboard the liner Empress of Russia, in the day at her home. She admitted striking her with a hatchet. Previously she had maintained she knew nothing of the crime.

She was charged with murder.

## Rain Spoils Beach for Don's Big Auto Race

Daytona Beach, Fla., March 24.—Beach conditions continue to keep Kaye Don, British auto racer, from making an attempt to break the world automobile speed record of 231 miles an hour.

Rains have caused gulleys to appear here and there on the beach, and to-day it appeared several days would be required for the waves to fill up these ditches.

## King Makes Gifts To U.S. Delegates To Naval Parley

London, March 24.—King George today presented each of the seven United States delegates to the Naval Limitation Conference with a photographic record of his speech on the opening of the conference two months ago.

Each record was contained in a leather case lined with plush. The outside of the case bears the royal coat-of-arms in gold, while on the inside cover is the King's autograph and the name of the delegate.

## Commons Starts Week of Several Important Debates

Canadian Press  
Ottawa, March 24.—Two changes were made in the personnel of standing committees of the House of Commons shortly after the opening this afternoon. The name of J. L. Riley, Liberal, Manitoba-Kings, N.S., was substituted for that of Hon. J. L. Ralston, Minister of National Defence, on the Dominion elections committee. Col. Ralston is attending the five-power Naval Conference in London. On the banking and commerce committee, the name of M. N. Campbell, Progressive, Mackenzie, Sask., was substituted for that of J. S. Woodsworth, Labor, Winnipeg North Centre.

**GIRL ADMITS TO POLICE SHE KILLED MOTHER**

North Bay, Ont., March 24.—A fifteen-year-old girl, daughter of Mrs. W. P. Foster, confessed this afternoon, according to North Bay police, that she had killed her mother, whose badly mutilated body had been found earlier in the day at her home. She admitted striking her with a hatchet. Previously she had maintained she knew nothing of the crime.

She was charged with murder.

## Schooner Calls For Aid Near Flattery

Seattle, March 24.—Only thirty-two miles off Cape Flattery, where she was to have been taken in tow by a tug for Bellingham, the four-masted schooner Commodore, only sailing vessel plying in regular service between Puget Sound and Hawaii, to-day called for assistance.

Storm battered by the gales which have been hampering shipping on the Pacific, the captain reported the vessel was leaking badly. She sailed from Honolulu February 28 in ballast and was to load lumber for the return voyage.

The tug Coalstar, which was to have towed the schooner, to Bellingham, and the United States coast guard cutter Chelait this afternoon were out-bound to assist the Commodore.

The vessel is owned by Lewers and Cooks Limited of Honolulu, and has been engaged in the lumber trade for some time.

## MANITоба HAS SNOW BLANKET AFTER STORMS

Winnipeg, March 24.—March snow lay to-day in a broad layer across Manitoba, overlapping somewhat into Ontario and Saskatchewan. After a lengthy stretch of spring-like mildness, week-end blizzards descended suddenly upon the three provinces. Winnipeg suffered under seven inches of snow.

At Prince Albert, in northern Saskatchewan, nearly two inches of snow fell. Half an inch or so was the precipitation yesterday at Regina, Saskatoon and Moose Jaw, in Saskatchewan, and at Minnedosa, in Manitoba. To-day, the blizzard threat had departed and moderately cold weather was forecast for Manitoba, with mildness said to be in the offing for Saskatchewan and Alberta.

Temperatures averaged around the thirty degree mark over the week-end in the snow-swept areas.

## REGINA MAN IS KILLED BY BULLET

Regina, March 24.—Donald Edmund Armstrong, twenty-eight years old, died this morning in the Regina General Hospital from wounds received through discharge of a rifle Sunday at his home here. He was a well-known University of Saskatchewan athlete and graduate in law.

Details of the accident are being investigated by city police.

## Three-man Board Will Be Formed And Cabinet Will Take Responsibility

Purchases Will Be Made by Board Instead of Government Under Bill Brought Down in House This Morning; New Tax on Breweries and Distilleries as Warehouses Close; Wine Makers Get Concessions; Soldier Clubs to Be Licensed to Sell Beer by Glass or Bottle; Padlocking for Bootleggers' Premises

## PROTEST ON STOCK ACT BY MANSON

Describing it as panic legislation prompted by the violence of the stock market, A. M. Manson, K.C., this morning in the Legislature attacked the Fraud Prevention Bill with the same adjectives Attorney-General Pooley used in introducing it, namely, un-British, unreasonable and arbitrary.

Mr. Manson urged the legislation be held over for a year, but the Attorney-General objected on the grounds that "a" other provinces were adopting the legislation, which was modeled in Ontario, and if British Columbia failed to do so, it would become the happy hunting ground of the Dominion for unscrupulous operators.

Mr. Manson claimed the effect of the drastic penalties and provisions of the bill would be to drive Canada's stock-broking business back to the United States, which had a monopoly on it until a few years ago. Canada had developed to the stage where it was financing its own mines and oil fields, and now its stock exchange business was threatened with extinction. The legislation itself, he declared, was copied verbatim from a state across the line where all kinds of ultra-legislation, which was never put into effect, found its way on the statute books. Unfortunately, he said, the bill would become the happy hunting ground of the Dominion for unscrupulous operators.

Mr. Manson urged the legislation be held over for a year, but the Attorney-General objected on the grounds that "a" other provinces were adopting the legislation, which was modeled in Ontario, and if British Columbia failed to do so, it would become the happy hunting ground of the Dominion for unscrupulous operators.

## INTER SWITCH ON RESERVE IS NOT READY YET

Order of Railway Board Granting Industrial Reserve Facility Not Carried Out

Rail Link Between Lines of C.N.R. and C.P.R. Should Have Been Finished Sept. 1

Inquiries at the City Hall to-day as to what might be expected in regard to the interchange switch between lines of the Canadian National and Canadian Pacific railways on the Industrial Reserve, elicited the fact that, according to the original order of the Railway Board, the facility should have been installed and in operation by September 1 last year.

The main hearing of the Board of Railway Commissioners of Canada on the case, was held at the City Council Chambers on January 15, 1929, when manufacturers on the reserve presented a plea for the facility through the Chamber of Commerce.

**ORDERED WORK DONE**

On February 18 the Railway Board made an order that the work be done, and apportioning the share to be done by the Canadian National Railway and the Canadian Pacific Railway. The board's order allowed three months for the completion of the facility after the official plans had been approved.

The approval of the plans by the Railway Board followed on May 31, 1929, after the signature of Mayor Anscombe and F. M. Preston, City Engineer, had been obtained on April 22 of that year.

On June 24, 1929, the Railway Board heard arguments as to the cost of the installation, and on November 25 gave its ruling, which assessed a third of the installation cost against each of the railways and the city.

According to its original order the switching facility should have been installed and completed by September 1 last year.

## Bank to Share In Australian Wheat Pool Plan

London, March 24.—A Reuter dispatch from Melbourne says Premier Scullin, during a conference with Sir Robert Gibbon, chairman of the Commonwealth Bank of Australia, received assurance the bank would co-operate in a practical scheme for financing a proposed compulsory wheat marketing board for the United States.

The scheme involves a federal guarantee of four shillings (about ninety-seven cents) a bushel for wheat delivered at designated stations for a period of one year.

## TWO FLIERS AND MACHINE ARE STRANDED

Other Plane May Return to Aid Men on Lake Winnipeg Shore

Canadian Press  
The Pas, Man., March 24.—Somewhere along the icy shore of Lake Winnipeg a prospecting cabin plane of the Northern Aerial Minerals exploration Company was believed to be stranded to-day. The machine is one of five which left Sioux Lookout, Ont., to fly to The Pas, and thence into the Coppermine River area on Canada's northern rim.

Pilot F. Barager and a mining engineer, the missing plane, which is about mid-way between Winnipeg and The Pas. A companion machine landed with the Barager plane Saturday and the flying miners camped overnight in a dugout in the five-foot snow. Both ski-fitted craft were to have taken off together, but Barager's plane failed to rise after the other had hurried away with a diminishing gasoline supply.

**MAY BACK-TRACK**

The first machine, piloted by Jack Berry, is expected to back-track over the route to-day if no further word is received.

The other three planes departed from The Pas for Stony Rapids in northern Saskatchewan, en route to the Coppermine.

## EXCHEQUER COURT OF CANADA SETS PRICE OF LAND AT HUDSON BAY PORT

Ottawa, March 24.—The Exchequer Court of Canada, in a judgment delivered to-day, decided that compensation owed to the heirs of a late settler was \$30 a lot was due to Frank Beech for lands at Fort Churchill, Man., expropriated by the Federal Government for construction of the Hudson Bay Railway terminal and port facilities. Interest from the date of taking in August, 1927, is also granted.

One hundred and fifty-three lots, formerly owned by Frank Beech are involved. The Government had offered a total sum of \$1,500.25 and interest from the date of taking. Beech claimed an amount in excess of \$50,000.

The decision is a test case on the value of each of 1,419 lots likewise located on the east peninsula of Churchill, all of which lots were expropriated by the Government.

## MAN ATTACKED IN JAMES BAY?

Injuries Sustained By George Heaney, Superior Street, Are Mystery

Still Unconscious in Jubilee Hospital; Has Developed Pneumonia

Mystery surrounds the circumstances of injuries sustained by George Heaney, 406 Superior Street, who lies in the Jubilee Hospital to-day in a critical condition following his discovery in an unconscious state on Boyd Street, James Bay, last week.

After his removal to hospital, Mr. Heaney developed pneumonia, and, according to Dr. J. N. Taylor, his physician, his condition was very serious to-day.

When brought to the police station early last Thursday morning, Mr. Heaney was suffering from cuts and bruises about the face and appeared as if he had been attacked.

Since entering hospital, Heaney has not regained rational consciousness and although he has talked in delirium, police have been unable to learn anything definite as to how he came to be in the condition in which he was found.

Mr. Heaney is a man about fifty years of age.

## DEATH CROSSING NEAR AUBURN, N.Y., ADDS TOLL BEFORE GRADE SEPARATION COMES

Auburn, N.Y., March 24.—The bodies of eight persons, seven identified as Syracuseans, were in mortuaries here to-day as a result of a gasoline coach on the Auburn branch of the New York Central Railroad plunging into their automobile yesterday evening at a crossing near here. The previous toll of the "Death Crossing" had caused it to be marked for elimination this summer.

The identified dead are: Ruth Dunlap, seventeen; Bertha H. Klerks, nineteen; Mrs. Dorothy Klink Parks, twenty-five; Earl J. Beasw, twenty-three; Edward Chelgren, twenty, and Darius Auletta, twenty-five.

The body of a woman was unidentified.

The coach, traveling down grade at high speed, caught the sedan broadside, hurled it against a house fifty feet away and scattered the bodies of Beasw and his companions for 300 feet.

## 55,000 FIRE LOSS IN REGINA

Regina, March 24.—Fire in the Adlo Building here gutted premises of three business establishments, the Empire Electrical Company, the Walker Millinery Store and the Nava Cafe. The losses are estimated at \$55,000.

## NO ELECTION IN GREAT BRITAIN THIS YEAR, SAYS GREENWOOD

By Theo. T. Champion, Canadian Press Staff Correspondent  
London, March 24.—"I will tell you a secret," said Rt. Hon. Arthur Greenwood, Minister of Health, at a meeting at Salford yesterday. "There is not going to be a general election this year."

So far there has been no comment from the other members of the MacDonald Cabinet or other parties on the Minister's statement.

**POSITION OF LIBERALS**

The statement made a sensation in political circles. The first comment was: "Has the Government made a mistake with Lloyd George, and Arthur Greenwood's statement makes it look as though that support is to be put on a more enduring basis in face of the common enemy to the free trade ranks."

Philip Snowden, wife of the Chancellor of the Exchequer, a woman of great political acumen. It was stated afterward it was nothing but a friendly reunion of the forces standing for free trade and opposed to the Baldwin programme of Empire free trade with a plebiscite on taxation of foreign foodstuffs.

**ON WINNER BASIS**

That will be the Conservative battle at the next election. The present government remains in office by the courtesy, sometimes a little grudgingly accorded, of the Liberal group under Lloyd George, and Arthur Greenwood's statement makes it look as though that support is to be put on a more enduring basis in face of the common enemy to the free trade ranks.

## MONTANAN WINS \$51,750 ON RACE AND QUITS WORK

San Diego, Calif., Mar. 24.—George Fisher, weighmaster of the Waco Samplers Works Mine at Butte, Mont., took the \$51,750 he made on the Agua Caliente Handicap and quit work. The man who drew Victorian in the sweepstakes to-day said his working days were over.

"I'm writing my letter of resignation to-day," he said. "This has put me on easy street and there I plan to spend the rest of my days."

Fisher is fifty-five years old and unmarried.

Second place money went to Bob Wood, Santa Ana, Calif., who is to collect \$23,000.

A. M. Comer, Emmelsburg, Maryland, won \$11,500 for third place.

There was \$118,000 worth of prizes drawn from approximately 65,000 tickets.

## ELEVEN FACE TRIAL AFTER JAIL BREAK

Toronto, March 24.—An examination of prisoners confined in the Don Municipal Jail here by police over the weekend resulted in the identification of at least six in the sensational breakaway made by four youths last Thursday night. It is stated.

Eleven persons already were in custody in connection with the jail break. The eleventh arrest was made Saturday when James Smith, sixteen, was detained. He was alleged to have been given \$2 by Basil O'Donnell, one of those who escaped and was later captured. Smith, it was stated, received \$2 to buy a hacksaw, but instead purchased tobacco for himself.

Fred Kemp, the only one of the escaped men who has not been apprehended and who was the alleged leader of the break, is believed to be still in Toronto.

## ANNOUNCEMENTS

H. H. Lively, chiropractic specialist, 312-3 Pemberton Building.

Dr. Vernon R. Taylor, osteopathic physician, removed to 406-7-8 Belmont Building. Phone 2864.

Hudson's Bay Company Beauty Parlor.—Specialist in permanent waving, hair tinting and hair goods. Phone 1670 for appointment.

Owing to so much sickness among the dogs and cats, I am installing an all-night service.—Dr. H. Keown, veterinarian, 1109 Pandora Avenue; phone 2972.

Your Problems Solved by Applied Psychology, Psycho-Analysis and Vocational Guidance. International expert. Apply Mobius Studio, Balmoral Hotel, 1109 Douglas. Phone 3780.

"Marrying Ann," by Clara Rothwell Anderson, Metropolitan Church schoolroom, 8 o'clock, Monday and Tuesday evenings, March 24 and 25. Three-act humorous play, sponsored by Ladies' Aid Society.

Sacred recital, St. Andrew's Presbyterian Church, to-night at 8.15 o'clock. Jesse A. Longfield, organist, assisted by Mary Phillip, Marie North, James Moscop and A. W. Trevitt.

Dr. N. C. Stewart, B.C.L.S., of the Provincial Department of Lands, will give a public lecture on "Aerial Surveying" on Tuesday, March 25, 8 p.m., at Victoria College, under the auspices of the Astronomical Society. Many beautiful aeroplane photographs of Victoria, Vancouver and the interior of British Columbia will be shown.

Hard times dance, Friday, March 28, 8.30 to 11.30 p.m., Harmony Hall, Fort Street. Mould's orchestra. Auspices Loyal True Blues. Four prizes for best hard times dress. Admission 25c.

## VOTERS' LIST TO CLOSE SOON

Last Opportunity Open to Eligible Voters to Register on List

The current Provincial voters' list is nearing completion and will close on April 5, it is stated at the courthouse, where registration in the Victoria and Esquimalt electoral districts is proceeding under George H. Mahon, registrar. Elsewhere throughout the Province similar action is being taken, in the annual overhaul of the list.

British subjects by birth or naturalization, of the full age of twenty-one years, who have been resident in the Province for six months and in the district for one month are eligible to vote at Provincial elections. For those resident in Victoria, Oak Bay or Esquimalt, a call at the courthouse, Basillon Street, will insure inclusion on the current list.

Failure to vote at the last Provincial election, or a change of address, is a frequent cause of confusion in the preparation of the list. Registration is free.

## PLOUGHING MATCH ON WEDNESDAY AT J. L. BROOKS FARM

South Saanich Farmers' Institute Arranges Summer Crop Competitions

The South Saanich Farmers' Institute on Thursday evening at Keating Temperance Hall completed arrangements for the ploughing match to be held at J. L. Brooks's farm, Stellies Crossroad, on Wednesday, G. Spencer, secretary, reported several entries had been received in each class. Entries will be open until to-morrow. All competitors in the main classes must be on the grounds by 10 o'clock to draw lots for places. Ploughing will commence at 10.30 o'clock.

The main events will be: Class one, championship; class two, novice, open to all who have never won a prize at a ploughing match; class three, boys under twenty-one years. Special prizes will be given for the best opening, also best finish. A special prize will be given to the youngest competitor, also for the best furrow turned by a Farmers' Institute member.

The city business men's class is attracting considerable interest, several prominent business men having entered. The two latter competitions will be held in the afternoon, when a special team will be available.

The annual strawberry and loganberry crop competitions were discussed. Scott and Feden offered a first prize of a silver cup in the strawberry

competition, and a silver trophy was given by the Vancouver Milling Company as first prize in the loganberry competition. G. Spencer offered to donate the second prizes in each competition. W. D. Michell, president, reported that the pruning class recently held by the institute was very successful, several members taking the opportunity to witness the demonstrations given by E. W. White.

A small donation was made to Keating school for the purpose of purchasing gramophone records.

Cecil Ties, provincial astronomer, invited the institute to enter a competition for one acre plots of grain or seeds, samples of the seeds to be available for the winter fairs at Vancouver and Chicago. G. Malcolm, R. Nimmo and A. Jeans were appointed to investigate.

## Astronomers Now Study New Planet

Berlin, March 24.—Prof. G. Struve of

the University Observatory at Heidelberg states he has located what is believed the ninth planet in the solar system, first discovered by the Lowell Observatory at Flagstaff, Arizona.

Photographs during the last few clear nights have revealed what appeared like a feeble star of about the fifteenth magnitude which, on observation, was apparently a planet having slow motion.

The Loewigstuhl Observatory near Heidelberg made the same discovery. Further observations are expected to disclose the new planet's path and distance.

## U.C.T. BRANCH HERE GROWING

Gains Thirty-one New Members During Year; Officers Are Elected

Thirty-one new members joined the Victoria Council 484, United Commercial Travelers, during last year, it was

reported at the session held in the K. of C. Hall Saturday night for election of officers. This gives the branch a total membership of 149, including most of the prominent salesmen and business managers of the city.

Presentation of a solid gold jewel to R. W. Murdoch, the retiring senior counselor, was one of the features of the meeting. Mayor Herbert Anscomb paid tribute to Mr. Murdoch for his work at the head of the branch.

The new officers are S. C. William Marshall, J.C.; George Brown, P.O.; R. W. Murdoch, secretary-treasurer; R. W. Jamieson, conductor; G. E. Goodman, page; E. G. Morley, sentinel; J. C. Dowie, chaplain; W. E. Hayward, representatives to Grand Council are

R. W. Jamieson and E. G. Brownbottom, alternates are W. E. L. Woodhouse and William Marshall; executive, D. W. Webster and Roy C. Darnbrough.

G.J.C. Matt Hunter installed the new officers, addressing each as to the duties of his respective office. P.O.C. Charles Gardiner assisted as marshal. Temple Hall has been leased by the branch for future meetings.

## Fur Care

When you quit wearing your fur coat, have it taken care of immediately. Hang in the sun, brush thoroughly and then put away in an airtight bag.

# Choose your favourite SIMMONS BEDS then build the bedroom around them

for Comfort . . . beauty and the Charm of individuality

Sleep is, after all, the bedroom's real and vital purpose. Simmons Beds are built for sleep; so start with them . . . and the comfort of your bedroom is assured.

'And its beauty, too. For Simmons offer exceptional choice in period and modern designs in rich finishes reproducing fine woods or lovely pastel colours.

Just choose your design and colouring . . . and there you have the motif for the entire room . . . ready to be carried out in blended rather than matched furniture . . . with harmonizing or contrasting drapes.

The vogue for these bedrooms of comfort and beauty is growing . . . rapidly . . . as more and more women realize their charm and originality. Best of all, you can build such rooms . . . gradually

## BEAUTYREST . . . The World's most comfortable and beautiful mattress

On Beautyrest you plumb new depths of comfort and repose. Morning finds you rested and fresh as a daisy. What a mattress!

Beautyrest comfort comes from hundreds of sensitive little coil springs buried between layers of pure white cotton that conform to every curve and movement of your body. Beautyrest charm is evident in its rich Jacquard Damask cover with all-over design in dainty pastel

shades as well as in the trimness of its tailored pocket edge. No bedroom comfortable . . . and beautiful . . . is complete without Beautyrest . . . \$42.50.

without strain on the household budget. Start with Simmons Beds, Springs and Mattresses . . . then add an odd chair, chic lamp, colourful rug at intervals as opportunity offers. See your furniture dealer. View his impressive display of Simmons Beds, Springs and Mattresses . . . and the many delightful pieces of furniture that will blend with them to beautify your bedrooms and lift them from the stereotyped.

## THE SLUMBER KING SPRING . . . Lasts a Lifetime — Cannot Sag

The Slumber King Spring supports the body yet adjusts itself to every movement of the sleeper.

It has twenty-six broad ribbons of steel, "spring-suspended" from both ends of the sturdy pressed steel frame. Four cross rows of strong coil springs hold the steel ribbons in place. This rigid yet pliant construction is sag proof.

Slumber King is built to box spring height for distinctive daytime appearance and easy bed making. Extra wide "rolled edge" border strips give added strength and protect covers and sheets from tearing. Lasts a lifetime . . . \$12.

NOTABLE  
IN TOWN

He used to come along the street every night about supper-time and light up the old oil lamps. In the morning he would fill them for another night.

He and his horse were notables in town.

You may not remember the lamp-lighter because he belongs to the Canada of fifty years ago when Imperial Oil was a new company making the kerosene which the lamp-lighter used.

Invention of electric light was the end of the lamp-lighter but it was only the beginning of change in the oil business. The automobile, modern machinery, the airplane—each has demanded new products. Each new product has meant endless experiment and unceasing effort.

That has been the work of Imperial Oil men through fifty years—to make modern transportation possible by perfection of gasoline and lubrication.

Because their work has been good, people have learned to trust Imperial Oil products and Imperial has grown from a few hundred men in one small refinery to over nine thousand men—six great refineries—stations in every corner of Canada—pipe-lines in South America—drillers in the Arctic—miles of tank cars—ships on the Atlantic and the Pacific.

Fifty years of constant enterprise and experience are in the products Imperial Oil sells today.

Marvelube is Imperial's finest motor oil.

Imperial 3-Star and Imperial Ethyl are its best gasolines.

Which means that nothing finer can be put in your car.

WILL NOT HAVE  
ODD NUMBER OF  
JUDGES ON BENCH

Legislation which would have forced the British Columbia Appeal Court to sit with an odd number of judges on the bench, to avoid evenly-divided judgments, was withdrawn by Attorney-General Pooley in the Legislature to-day. He said opinion on this change seemed so divided that it was considered unwise to go ahead with it.

RAILWAY BOARD  
DEFERS HEARING  
GRAIN APPEAL

Panama-Pacific Terminals Given Time to Prepare Case For Equality With Vancouver

The Board of Railway Commissioners of Canada this morning held a session in the Courthouse, the commissioners attending being Col. Thomas Yen, K.C., Deputy Chief Commissioner, and J. A. Stoneman, J. B. Arblack of Ottawa was acting secretary to the commission.

The application of the Panama Pacific Grain Terminals Limited for an order directing the Canadian Pacific Railway to establish equality with Vancouver of the freight rate on grain shipped to Ogden Point, was indefinitely postponed. The elevator company had notified the board at Regina that insufficient time was available to prepare the case for parity in freight rates and had asked postponement of the hearing one month.

The board decided to deal with the question at the next session in Victoria, or, if the Panama Pacific company desires, will hear the application for lower grain freight rates at Ottawa.

The board will ask its divisional engineer, Col. J. H. Farley, to report upon the proposed new overhead crossing on the Canadian National Railway nine miles north of Kelowna. The appointment of cost will be made by the board after the question of seniority or priority of location on the site is decided.

The Canadian National Railway was represented by R. W. Hannington, and F. L. Macpherson represented the Provincial Public Works Department.

The board ordered a highway crossing to be constructed by the Canadian Pacific Railway at Fife, B.C., but reserved decision as to the apportionment of cost until seniority was established. The railway claimed to have been on the site in 1897, while the earliest record of the existence of a highway at this point is in 1908. J. S. McMillan represented the C.P.R. and F. L. Macpherson the Provincial Public Works Department.

DEATH CALLS  
CAPT. LAIRD

Master of Patrol Steamer Malaspina of Esquimalt Dies in Vancouver

One of the oldest and most experienced captains in the service of the Canadian Government Marine and Fisheries Department, who early in life sailed around the world on a whaler, died this morning at 4:30 o'clock in the person of Captain Frederick Charles Laird, aged sixty-one, at his home in Vancouver. He had been ill for some time.

Capt. Laird first joined the Canadian Fisheries Department in 1908. He first commanded the fisheries patrol boat Agado, a steamboat which ran in connection with the harbor board of Vancouver harbor. He was later transferred to the steam trawler Givendy. At the time of his recent illness he commanded the Malaspina, of the Esquimalt naval station.

CENSORS FORCE  
TIFFANY TO CUT  
RISQUE FILM

Canadian Audiences Will Not See Original Production of "The Party Girl" Is Ruling

Moving picture censors of Canada have ruled that the Tiffany production, "The Party Girl," as filmed in the Hollywood studios, is a trifle too risque for theatre patrons on this side of the international border, and, in consequence of this ruling, a special Canadian film is now being prepared by the producers, it was announced to-day by William Barnes, British Columbia manager for Tiffany Productions, who is at the Dominion Hotel from Vancouver.

The original film, which is all technical, is being shown in New York at \$2.50 per seat, along with other new Tiffany productions, including "The Lost Zeppelin," a South Pole airship story, in which the Graf Zeppelin is featured, and "Mamba," a German East African picture, now showing for the first time at the Gaiety Theatre in the eastern metropolis.

To show here. All these pictures will be shown in Victoria shortly, said Mr. Barnes. Thirty all-color pictures have recently been produced and are being completed in the Tiffany studios at Hollywood.

Another all-talkie reel just completed

## AN IMPORTANT ANNOUNCEMENT

A Revue of the  
Newest Spring  
Fashions

and

Gossard Foundation Garments

EMPRESS HOTEL (Lower Lounge)

Thursday Evening, March 27 at 8.30

We will give a revue on living models of the new Silhouette, starting from the foundation garments to the latest in dresses and coats for formal and every-day wear. An interesting talk on present-day modes will also be given by a Gossard stylist, who has been giving these style talks with great success in the large eastern cities.

ADMISSION BY TICKET ONLY

These May Be Procured at the Glove Department

Angus Campbell &amp; Co. Ltd.

1008-10 GOVERNMENT STREET

at the Tiffany studios is by Almee Sample McPherson, the evangelist, entitled "The Voice of Hollywood," which will very shortly be shown in this city. Mr. Barnes announced to-day.

"Billy" Barnes is a well-known former newspaperman of Vancouver and, prior to becoming identified with Tiffany Productions, was manager of the Orpheum Theatre in the mainland city.

Seattle, March 24.—Activities of Mrs. Sarah E. Smith, who in March last year instituted a search in Victoria for \$125,000 in gems and securities allegedly retained by her divorced husband, George F. Scollard, are recalled in three law suits started in Supreme Court Saturday in which two Victoria barristers and one Vancouver woman are named as plaintiffs.

Mrs. Smith is sued for a total of \$150,000 as the result of her search for the missing fortune. E. H. M. Foot and Roy Manser, who were financial advisers to Scollard following divorce proceedings between himself and Smith are each seeking \$25,000, while Miss Okra Collins, housekeeper for Scollard when he lived at Cobble Hill, V.I., is asking \$100,000.

Foot and Manser claim that on March 7 last year Mrs. Smith in person, armed with a search warrant and accompanied by Victoria detectives, entered their offices and caused a thorough search to be made. It netted Mrs. Smith nothing, they assert, but brought them much undesirable publicity which, they claim, has damaged them to the extent of \$50,000.

Miss Collins charges that on March 6, Mrs. Smith "maliciously" caused several search warrants to be issued for her (Miss Collins's) safety deposit box and home. The search yielded no part of the supposedly missing fortune, she contends. She further claims that Mrs. Smith had her arrested on a criminal charge which was withdrawn after she had spent two weeks in confinement.

Miss Collins alleges Mrs. Smith afterwards admitted to her the action was conceived with malicious intent.

Several applications for membership in the Canadian Pensioners' Association were received last week, and when the officers gathered Saturday afternoon and reviewed the applications they found one from a Yukoner, Thomas Lawson.

The secretary informed the officers that Mr. Lawson had spoken of several

interesting features about the Yukon, especially around Dawson and White Horse, where he is well known. Mr. Lawson said that a number of returned men were in the Yukon, and that many of them had been pensioners at one time, but that they had been cut off in the drastic years following the war. He also stated that few if any veterans' organizations were functioning in the Yukon at the present time.

Mr. Lawson's application will go before the general meeting along with other applicants to be initiated on Friday, March 28, and he has promised to give a general outline of the pension condition of the Yukon. As Mr. Lawson will return to the Yukon shortly, it is presumed that efforts will be made to establish a branch of the Canadian Pensioners' Association there. The procedure concerning the founding of such a branch will come up for discussion at the meeting here.

Another application worthy of note is that of W. B. Batten, who was cut off pension in 1920. Mr. Batten became worse and interviewed the secretary of the Pensioners' Association and was immediately sent to the chief medical advisor, Dr. R. L. Miller. On examination, Dr. Miller found that Mr. Batten has shrapnel buried in his left frontal bone, where he was wounded while on service. Mr. Batten has several wounds and is shaken up generally. It is expected he will receive approximately \$2,000 reactivation. Several other important cases are under consideration by the Canadian Pensioners' Association and the Board of Pension Commissioners at Ottawa.

The secretary of the local association has to turn a large number of pension seekers away, but this is because the necessary evidence to establish a case has not been produced. Moreover, the Board of Pension Commissioners for Canada is one of the busiest bodies in the Dominion, and the association does not want to waste its time over a case that is not worthy, the secretary, J. Bangster, states.

DIAL "GARDEN"  
OR "EMPIRE"  
FOR CITY CALLS

Two Telephone Exchanges to Serve Victoria When Dials Installed

Two exchanges, "Garden" and "Empire" will serve Victoria when the dial telephone come into operation late this fall. The exchanges will be part of the mechanism for giving the city a telephone system which will be able to cope with almost any expansion. They will not serve specific districts, and two telephones in one office may be on different exchanges.

In addition, the dial instruments will give the subscribers direct linkage with Albion, Belmont, and Colquhoun exchanges.

There will be no change in the method of connecting with Keating of other long distance exchanges, the subscribers' dialing for long distance instead of asking for that service.

The new dial telephones will provide a far speedier service with Vancouver, the new cable being laid to-day from Roberts Point to Mayne Island being chiefly designed to speed up the service.

SPRINGCARNIVAL  
CRETONNES AND  
DRAPERIES

## Y.M.C.A. NOTES

The Y.M.C.A. Public Speaking Club, under the leadership of H. A. Beckwith, will bring its season to a close on Wednesday evening. The meeting will follow a supper at 6:15 o'clock.

A Fellowship Bible class and discussion group was formed yesterday at the Y.M.C.A. Twenty-five men attended the organization meeting and took part in the programme. It is planned to hold similar meetings every Sunday, which will include a song service, supper and an address. Yesterday, Rev. J. Rowell, of the Central Baptist Church, was the guest speaker. The group will meet at 5 o'clock each Sunday.

## Father and Son are Highly Satisfied

Alberta Man Now Recommends Dodd's Kidney Pills

"Last winter I caught a bad cold and it settled on my kidneys," writes Mr. John H. Hilgren, Box 71, Kingman, Alta. "I took two boxes of Dodd's Kidney Pills and they sure did me good. My father is also a friend of your pills. He uses them once in a while when he has a sore back and they always help him. Last winter he had a very sore back and was in bed a whole week. We got him Dodd's Kidney Pills. The second day of taking them he was able to get up, and before they were finished he was all right again. He can do a lot of heavy work and never feels a sore back. Therefore we thank Dodd's Kidney Pills." If you, too, suffer, why not give them a trial?

Whittington and Hurley are tied in first place in the Business Men's Voluntary Ball League, the first half of which has just been completed. Each has two victories to his credit without a defeat. Next comes Merrett, with two wins and one loss. Bell and Witter are tied for fourth place, each with one victory and two defeats. Green occupies the cellar position with three losses.

This evening Bell will meet Whittington on the north court, while Merrett battles Hurley on the south court.

Experiments in raising Belgian Blue in Egypt have been so successful that it may entirely replace the native variety.

## PROTEST NOTARY

## PUBLIC CLAIMS

Law Society Ask No New Notaries Be Appointed at Port Alberni

An application for the examination of Russell H. Turner, a member of the real estate profession at Port Alberni, for appointment as a notary public in that area, was opposed before Chief Justice Martin in Supreme Court Chambers to-day by the Law Society.

The Province had over 1,000 notaries, outside of members of the legal profession, the court was informed. Nine notaries were practicing in Port Alberni, including four barristers, until a recent loss by death created a vacancy in the ranks.

The application was made under the Notaries Act, for leave to proceed with the examination of the application to take the place of the vacancy existing at Port Alberni. H. G. Lawson appeared for the applicant, and P. E. Leighton for the Law Society. Argument proceeded.

## GREAT GROWTH OF JAPAN TOLD

Japanese Engineer, Here Sunday, Says Engineering Progress Largely Responsible

"In less than fifty years Japan has risen from a position as one of the obscure nations of the world to that of one of the world's greatest powers," said Dr. Naawo Kamo, professor of mechanical engineering at the Tokyo Imperial University, who passed through Victoria yesterday from the Orient aboard the liner Empress of Asia. He is on his way to attend the fiftieth anniversary celebration of the Mechanical Engineers' Institute which will be held at Hoboken, New York, next month.

"Until a few years ago," continued Dr. Kamo, "the Japanese were known as copyists, who put European and British inventions to their own use, but in the last few years, Japan has originated many inventions of her own. Her growth from an obscure power to one of the world's greatest in so short a time has been largely due to her progress in engineering."

Dr. Kamo is one of the best known engineers in the Orient. Besides being professor at the Tokyo University, he is vice-president of the Japanese Power Association, ex-chairman of the organizing committee for the World's Engineering Congress held in Japan last fall, and chairman of the Japanese national committee, World Power Congress.

## Gandhi Party Trains Volunteers

Calcutta, India, March 24.—In view of the All-India Congress committee's resolution not to start civil disobedience until Mahatma Gandhi has reached his destination on the Gulf of Cambay and actually committed a breach of the law, Bengal leaders yesterday appealed to the workers to delay their campaign until then.

The leaders suggested that the interval be utilized in enlisting and training volunteers. Meetings are being held throughout the presidency of Bengal. A number of young men from the Tippera district have gone to Vrindavan to offer their services in the manufacture of salt in violation of the Government monopoly.

## GEORGE ADAMS DIES

Paris, March 24.—George Adams, former correspondent of The London Times and The New York Sun in Paris, died here yesterday in his sleep after a brief illness with influenza. He was a close friend of the late Georges Clemenceau and his book, "The Tiger," was very popular.

## Perfect Sight—

## Without Glasses

Practically every known eye trouble—even partial blindness—has been benefited and entirely cured by a new technique.

Far sight, near sight, astigmatism, cross-eyes, squint, cataract—all have been successfully treated without medicine, operation or optical aids of any kind.

If you suffer from any form of eye trouble call at once and learn how you can have better eyesight, better health, a richer life—unhampered by glasses.

It may mean so much to you.

## P.E.I. SOON TO MAKE OVER ITS SCHOOL SYSTEM

Canadian Press  
Charlottetown, P.E.I., March 24.—Sweeping changes in the system of educational administration now in force in Prince Edward Island, together with an increase in teachers' salaries as a factor in advancement along the entire educational front, are recommended in the report of the Royal Commission on Education, which soon will be debated by the Legislature.

Amalgamation of small schools and flexibility of curricula with a view to equalization of opportunity as between the town and rural schools is recommended by the Commission, which, under the chairmanship of Dr. Cyrus J. MacMillan, was appointed by the Saunders Government last year when a prolonged teachers' strike was threatening. Neil McLeod K.C. and Daniel S. McInnis were the other commissioners, and the report of the body was tabled in the Assembly this week.

## SALARY PLAN

The commissioners found that improvement in salaries alone would not adequately solve the educational problems of the province, but were in general agreement with the principle laid down by the Teachers' Federation with regard to the necessity for better pay. Their recommendations, based on an initial increase of ten per cent on all statutory salaries paid by the Government, with increase at the end of stated periods contingent on certified efficiency and success, would make minimum salaries of men teachers of the first class \$800 at the end of six years, with women receiving \$760, these figures not affecting supplements paid by the districts. The present figures under the same conditions are \$650 and \$637.50.

Creation of a portfolio of Education and Public Health, with deputy ministers devoting their services exclusively to each department, is recommended. The Board of Education would be reconstituted to include the Minister of Education and Public Health as president, the Deputy Minister, the principal of Prince of Wales College, the Rector of St. Dunstan's University, a representative of the Association of Women's Institutes and one member to be appointed by the Provincial Government.

The entire educational policy at present is directed by a Board of Education consisting of the Provincial Government, the Superintendent of Education, whose office also includes Provincial Highways, and the Principal of Wales College.

The change is recommended in order to provide greater stability and continuity of policy and to remove it as far as possible from the suggestion of the possible pressure of political considerations or interference of a narrow view of small schools with a view to discovering possibilities of closing as many as possible and distributing the pupils among the nearest schools thus undertaking a process of elimination and amalgamation, is recommended. Definite steps in the direction of consolidation should be undertaken, and consolidated schools to serve as educational demonstrations should be established as soon as possible. The establishment of larger educational areas should be the first step toward consolidation.

Changes in curriculum recommended include optional agricultural courses, elementary mechanics and elementary bookkeeping. School fairs and school gardens should be encouraged if it is stated.

The report further recommends the appointment of a text book committee to arrange courses of study and to provide for selection of textbooks and necessary changes.

## CHANGE IN TITLE

The title "Inspectors of Schools" would be changed to "Supervisors of Schools" with higher qualifications expected.

More attention should be given to teacher training and more instruction in agriculture introduced it is stated. While the commission recognized the value of a technical school it could not be recommended immediately owing to the financial condition of the province.

The Commissioners expressed their opinion that criticism of Prince of Wales College regarding alleged failure is unfounded and uninformed and suggested an effort be made to provide for an endowment fund to meet the expenses of additional courses.

The school age for beginners, the report recommends, should be raised to the end of the sixth year, and attendance regulations more strictly enforced. Transportation should be provided for the schools it is stated. School libraries are recommended.

## NEW SUPPORT FOR BALDWIN'S TRADE SCHEME

Canadian Press  
London, March 24.—Rt. Hon. Stanley Baldwin's recent pronouncements on the British Conservative Party's ideas of economic unity of the Empire have drawn the support of Rt. Hon. F. E. Guest, who was Liberal member of the House of Commons for Stroud 1924 to 1926, before entering the House he had unsuccessfully contested five elections.

Capt. Guest, who was Secretary of State for Air for a brief period in 1921-22, has written to the Conservative leader as follows:

"I take it you and the Conservative Party are not committed to the view that taxes on food are the only means of consolidating the economic system of the Empire; but you say that should the Dominions take them in preference to any other method, you would not feel justified in refusing to submit the request to the British electorate."

## CONFERENCE PLAN

"The form in which the request would be submitted must clearly be a draft treaty embodying what we proposed to give the Dominions and what the Dominions proposed to give us in return. I am in full support of such a policy, which means that a special Imperial Conference must be called with the definite object of concluding such a draft treaty and from whose consideration nothing would be ruled out."

Capt. Guest added he found difficulty in believing the Liberal Party under the present leadership could maintain the high principles of its past. He believed many of the differences between Conservatives and Liberals had become obsolete.

# A New Showing of Sports Dresses and Cardigans

## A Large Stock of Newest Type Trunks at Moderate Prices

### Special Purchase of Jersey Cloth

### Sports Dresses

## Typists Compete For Canadian Championship

Toronto, Ont., March 24.—The ninth annual contest for Canadian typewriting championships was held here Saturday night.  
More than 200 stenographers competed. Eighty contestants were on the stage, writing in seven classes. The open or Canadian championship was won by Lucy Harding of London, Ont., writing for half an hour at 100 net words a minute. Miss Louise Marchese of Vancouver was second, with Miss Ann Kreutzer of Winnipeg third.

## Vancouver Club Woman Is Dead

Vancouver, March 24.—Prominent for many years in the activities of women's clubs throughout Vancouver, Mrs. C. A. Frederickson, West Twenty-fifth, who was first stricken on October 7, 1918, while speaking to a gathering of women in Hotel Vancouver. The attack left her paralyzed. She was a member of the Local Council of Women, the New Era League and the W.C.T.U. She is survived by two sons and three daughters.

Native Daughters' Social—On Tuesday evening, March 25, the Native Daughters of British Columbia, Post No. 3, will hold a social affair at the Alexandra Club, Campbell Building. As this will be the last social event before the annual meeting, it is hoped that as many members will attend as possible. An attractive programme is being arranged by the entertainment committee and the bridge tournament, which has been in progress for the past few months, will terminate.

## LENTEN WEDDING IS SOLEMNIZED AT CATHEDRAL

Quiet Ceremony This Afternoon—United Miss Audrey Topp and L. F. Brimer

Christ Church Cathedral was the scene of a quiet Lenten wedding this afternoon at 2:30 o'clock when Rev. E. W. P. Carter solemnized the nuptials of Norma Edith Audrey, eldest daughter of Mr. and Mrs. C. H. Topp, 1354 Harrison Street, to Laurence Frederick Brimer, only son of Mr. and Mrs. F. J. Brimer of 239 Beechwood Avenue, formerly of Winnipeg.

To the strains of the "Wedding March" played by the cathedral organist, Mr. Stanley F. Bulley, the bride entered the cathedral with her father, who gave her in marriage. She looked charming in a French three-piece sports suit of powder blue flax crepe, the sleeveless bodice adorned in front with a bow of the material, the pleated skirt and short jacket being outlined at the hem with silk braid in a slightly darker tone. With it she wore a Brynmawr model hat of Baku straw, bound and trimmed with powder blue corded ribbon, and carried a bouquet of pink butterfly roses, lilies of the valley and maidenhair fern.

Miss Muriel Topp, sister of the bride, was the only attendant, wearing a smart two-piece suit of pastel pink flax crepe, the sleeveless frock being trimmed with bows of the material on the front of the bodice, and the flared skirt fashioned in two tiers. With it she wore a becoming Meadowsbrook hat of stitched crepe de Chine to match the suit, and carried a bouquet of mauve and pink sweet peas. Mr. Charles Topp, brother of the bride, supported the bridegroom.

After the ceremony a reception was held at the home of the bride's parents and attended only by members of the two families and intimate friends. Mrs. Topp received the guests in a handsome gown of cedar georgette, with gracefully draped skirt and trimmed at neck and waist with cut work. A smart hat of Baku and lace straw to match her gown, stonemason furs, and a corsage bouquet of violets completed her toilette.

Mrs. Brimer, mother of the bridegroom, who assisted in receiving, wore a becoming gown and coat of black Chantilly lace, with black mohair hat and furs. She wore a corsage bouquet of mauve and pink sweet peas.

A buffet luncheon was served at a table centered with the three-tier bride cake and decorated in pale pink roses. Among the many beautiful gifts received by the young couple was a silver tea service from the officers of the B.C. Electric Co., where the bride has been employed for several years.

Mr. and Mrs. Brimer left later for a honeymoon trip by motor on the mainland, the bride traveling in a smart French sports dress, with pleated red crepe de Chine skirt, and jersey jumper of navy blue trimmed with scarlet, with which she wore a fawn Goffex coat and smart hat of blue felt and straw, trimmed with a red malaisie ornament. Later Mr. and Mrs. Brimer will reside in Victoria.

Reformed Episcopal Silver Tea—The Ladies' Aid of the Church of Our Lord, Reformed Episcopal, will hold another of their popular silver teas on Thursday, from 3 till 6 o'clock, at the home of Mrs. D. C. Hughes, 903 Heywood Avenue, who is kindly lending her home for the occasion. A delicious tea will be served and a musical programme will add to the pleasure of the guests.

Colfax Lodge—The regular meeting of Colfax Rebekah Lodge No. 1, I.O.O.F., will be held Tuesday evening at 8 o'clock sharp. After the business meeting bridge and whist will take place at 9 o'clock. Refreshments will be served. A cordial invitation is extended to members of the order and friends.

Hollywood Silver Tea—The Ladies' Aid of the Hollywood Presbyterian Mission will hold a silver tea on Wednesday, from 3 till 6 o'clock, at the home of Mrs. Denny, 1889 Crescent Road. A musical programme is being arranged by Mrs. Baines.

CLASSES BUYER OF RUM WITH SELLER

A quiet wedding took place, in the presence of relatives and friends, on Wednesday afternoon at the home of Mrs. E. A. Simpkins, when Rev. H. Knox united Irene May, eldest daughter of Mrs. E. Rust, 2251 Willow Road, and William Lane Simpkins in marriage. The bride was attended by her sister, Miss Marie Rust, while the groom was supported by Mr. John Easton. After the ceremony the bridal couple left for a motor trip to Nanaimo and Up-island points. On their return they will reside at 2420 Cadboro Bay Road.

Mrs. E. E. Coates entertained recently at a St. Patrick's party in honor of the birthday of her little daughter, Elaine Patricia. The table was decorated in green, and the birthday cake with its six candles, occupied the place of honor. Games were much enjoyed by the little guests, who included Florence and Jean Ray, Maxine and Bernice Dalsiel, Shirley and June Coste, Isabel and Teddy Ray, Nora and Patsy Poole, Irene and Vera Holness, Irene and Harold Crook, Kathleen Dobbie, Peggy Peterson, John Savory, Frank Ross, J. B. Robertson, Elaine Doreen, Harry Norman, Darryl and Bobby Coates. Mrs. Holness, Mrs. Bull, Mrs. Farrand, May Robertson, Edna and Ruth Coates helped the hostess serve the tiny tots.

The christening of the infant son of Mr. and Mrs. E. Hewitt White took place Sunday, March 23, in Christ Church Cathedral, Rev. F. A. Ramsey officiating in the presence of a number of guests. The child received the names of Edward Godfrey Hewitt. Mr.

## DAINTY CURLS FOR GIRLS AGAIN

Curls have staged a comeback. The dainty ringlets which beautified the belles of yesteryear are again the correct mode of hairdress, especially for evening. How the extravagance of design in dresses has affected the coiffure of the fair sex is seen in the charming curls which Thelma Streicker, above, of Elyria, O., displayed at the convention of Ohio hairdressers at Cleveland.

## SOCIAL ITEMS

Col. and Mrs. R. M. Schofield, the Episcopians, Oak Bay, are spending a few weeks in Portland as the guests of relatives.

Mrs. W. H. Munroe of Shawigan, Lake returned to her home up the island to-day after spending the weekend in Victoria as the guest of Mrs. D. O. Cameron, George Road.

Mrs. E. Bonall, professor Latin and Roman history at the University of Washington, is spending a week's holiday in Victoria, and is a guest at Mrs. Dumbarton's, Michigan Street.

Miss Jean McLaren, who went over to Vancouver to attend the Delta Fraternity dinner last week, was the guest of Judge and Mrs. J. A. Fortin during her stay in the mainland city.

Mrs. R. J. Cummings of Vancouver has returned to her home on the mainland after spending a few days in Victoria with her parents, Mr. and Mrs. J. Carl Fendray, Beach Drive.

Hon. N. S. Leugheed, Minister of Public Works, left yesterday evening for the east on a private business trip. He expects to be absent for several weeks.

Mrs. John Hart of Vancouver, who has been spending the last two weeks in Victoria as the guest of Mr. and Mrs. Henry C. Hall, Pandora Avenue, returned to her home on the mainland yesterday afternoon.

Q.M.S.I. and Mrs. G. C. White, of Burke Street, Saanich, announce the engagement of their elder daughter, Donna Marie, to Mr. Charles Wilfrid Gibbard, youngest son of Mr. and Mrs. J. H. Gibbard, of Mission City, B.C. The wedding is to take place at Victoria on April 16.

Mrs. W. Stone of 423 Jessie Street, has returned to her home after having attended the funeral in Vancouver of her brother-in-law, the late Mr. T. E. Hughes Hopkins. The widow, Mrs. Hopkins, was formerly Miss Florence Smith, of Victoria.

A quiet wedding took place, in the presence of relatives and friends, on Wednesday afternoon at the home of Mrs. E. A. Simpkins, when Rev. H. Knox united Irene May, eldest daughter of Mrs. E. Rust, 2251 Willow Road, and William Lane Simpkins in marriage. The bride was attended by her sister, Miss Marie Rust, while the groom was supported by Mr. John Easton. ## LEAGUE A LIVING THING NOT MERE ABSTRACT IDEAL

Says Miss Mary McGeachy of Secretariat of League of Nations at Geneva

That the League of Nations should be interpreted to the youth of Canada as a living thing rather than as an abstract ideal was one of the many interesting suggestions made by Miss Mary A. Craig McGeachy of the Secretariat of the League at Geneva, at the luncheon held at Spencer's under the auspices of the Local Council of Women in her honor Saturday.

Miss McGeachy described the purpose of the League as two-fold, to promote international co-operation and to establish international security. She outlined the political activity of the League and told of the work of the preparatory disarmament commission.

BUT this future peace of the world, according to the speaker, depended not so much upon statements as upon the consensus of public opinion, the opinion of the smaller communities. To this end it was essential that the public be kept informed of the activities of the League.

The speaker congratulated the government of British Columbia upon its foresightfulness in having made compulsory the introduction of one question on the subject of the League of Nations on matriculation examination papers. She pointed out that the Province, in taking such a step, had established a precedent in the Dominion of Canada.

HIGH SCHOOL COMPLIMENTED—She also congratulated the Victoria High School in having established a model assembly, the value of such to students being very high. It was only by definite education along practical lines that the importance of the League and its work could be made known to young people.

Urging that a new approach be adopted in teaching children of the League by emphasizing the activities of the secretariat rather than presenting the work of the League as an abstract ideal, Miss McGeachy showed a series of interesting pamphlets which she had helped prepare, with pictorial illustrations depicting the League's work along various lines.

These were passed among the guests, among whom were the Teachers' Federation, I.O.D.E., Canadian Club, Educational Department of the Provincial Government, the League of Nations Society, the Red Cross and Parent-Teacher Association, delegates from all the organizations being present. Miss Croase, president of the Local Council of Women, was in the chair.

Mrs. John Barnaby of Barnard Road went over to Vancouver for the reception given by Mrs. George A. Mathers last week in honor of her daughter, Miss Carmen Mathers, whose marriage to Mr. Barnaby took place in Victoria. Mrs. Barnaby will take place in Toronto early in April. Mrs. Barnaby received with Mrs. Mathers. Quantities of spring flowers appeared throughout the room, and in the tea room mauve and pink tulips graced the table, where mauve tapers flamed in two many-branched candelabra. Mrs. W. T. Reid of New Westminster, the wife of the Mayor of Montreal, will take place in Toronto early in April. Mrs. Barnaby received with Mrs. Mathers. Quantities of spring flowers appeared throughout the room, and in the tea room mauve and pink tulips graced the table, where mauve tapers flamed in two many-branched candelabra. Mrs. W. T. Reid of New Westminster, the wife of the Mayor of Montreal, will take place in Toronto early in April. Mrs. Barnaby received with Mrs. Mathers. ## NEW YORK WOMAN TO ADJUDICATE

Miss Vida Sutton to Judge Elocution Classes at Festival Here

Miss Vida R. Sutton of the Finch School, New York, will judge the elocution classes during the Victoria Musical Festival to be held May 6 to 10 inclusive. She is widely known through her radio talks on speech improvement and is instructing a class of radio announcers. She is an authority on voice production, the proper use of the voice, and a director of dramatics.

In Miss Sutton, herself, is a living illustration that youthful suppleness, ease and a great amount of poise come from correct speaking. The course she gives includes lessons in sound analysis, information, speech tone to develop range and flexibility of voice, the study of rhythmic speech and finally the diction and the use of words.

Miss Sutton is a lecturer and writer well known in the United States. She was a member of the original company which opened the New Theatre with Winthrop Ames as director. She is head of the Department of Drama and Oral English at the Finch School, New York City, and has written several plays. Her textbook, "The Magic of Speech," designed for popular use, will be issued this spring. She has been

student, actress, playwright, critic and teacher. Entries in the elocution classes during the previous three years of the Victoria Musical Festival have always been many and have increased each year in number. It is expected this year that entries will outnumber all those in previous years as a new interest has been aroused in this branch through radio and radio broadcasting. Entries should be brought in now to Davis & King Limited, Fort Street, where L. A. Gape, vice-president of the association, will be pleased to answer any questions or give any assistance.

## PRINCE HAS NARROW ESCAPE FROM ELEPHANT

Empire Throne Heir Menaced in Uganda; Charging Animal Killed By Hunters

Rhino Camp, Uganda, March 24.—It was announced yesterday that the Prince of Wales had a narrow escape from an angry bull elephant while taking motion pictures March 18. The Prince was so intent on his pictures that he failed to realize his danger, and the animal was shot by his companions, crashing to the ground barely twenty yards from the camera.

The incident occurred while the Prince was on a two-day hunting expedition. The elephant, apparently enraged by the invasion of his retreat, charged down a hill toward the spot where the camera had been set up. Other hunters shouted a warning to the Prince, but he ignored them. The picture was still being ground out when the great beast fell.

Besides the elephant pictures, the Prince got some good films of black rhinoceros, but has not yet sighted a white rhino, of which he wants a photograph for his collection.

## GREAT ACTIVITY

This tiny port on the river Nile was the scene of unprecedented activity when the Prince started Saturday on his safari in the Belgian Congo.

Smoking a pipe, the heir to the British Empire throne stood quietly on shore amid the general din of native porters, chatting with the Belgian officials who had arranged for his hunting trip. Clad in the comfortable, rush-stained outfit he likes to wear, he looked the picture of health. His face was bronzed by weeks in the open under the African sun.

Rhino Camp is merely a cluster of half a dozen corrugated iron sheds and a few native huts in a clearing of the poplar grass that lines the river banks. On Saturday an army of native porters, their black skins glistening with perspiration, dashed about with much shouting, carrying on their heads the hunting party's baggage, rifles, ammunition, moving picture camera and other kit, which had been taken off the steamer Lugard to be transferred to motor cars and lorries.

## WHOLE FLEET THERE

The general uproar was increased by an influx from two other steamers "in port," the Samuel Baker and the Livingston, which with the Lugard comprise the entire fleet of Lake Albert Nyanza. Such an assembly of shipping was never before seen by the dusky inhabitants of Rhino Camp, who all turned out to take advantage of the occasion.

## YOUR BABY and MINE

Mr. and Mrs. will be glad to answer all questions pertaining to babies and children. A stamped and self-addressed envelope forwarded to this office will bring a personal reply.

## DON'T CURB CHILD'S GENEROUS IMPULSES—GUIDE THEM

The child's first lessons in generosity are learned from his parents. If he sees them offering to lend a book or carrying over a plate of fresh cake to a neighbor the child is eager to do the same with his toys.

This is right and proper, and a spirit we want to cultivate. But Mrs. V. S. has a little boy with such a blunted sense of property values that he insists on giving his toys to a small girl—playmate and—she is angry when his mother won't allow him to. Mrs. V. S. is fearful that if she prevents it she will make him selfish, yet she is naturally averse to having him give all his toys away.

Since the boy's generosity should be encouraged, we might handle this problem in two ways until he is old enough (he is now only three) to better understand the intrinsic value of some possessions, and have regard for them and for what may have been the parent's sacrifices in procuring them for him.

First, when he is going to play with this little girl let him make some gift for her. He may cut out pictures from a magazine and put them together with colored yarn. He may stuff a sack of bright cotton full of cut up papers which his mother may sew together and make a harmless bag for throwing. He may even color a picture for her with his crayons. Thus his joy in giving is not destroyed and his toys are reserved for his use.

## Victoria W.I. Has Busy Meeting On Many Topics

A well-attended meeting of the members of Victoria Women's Institute was held in the institute rooms, 203 Union Building, Friday afternoon, March 22. F. Taylor, president, in the chair. One new member was accepted. Owing to the next meeting day falling on Good Friday, the members decided to hold the regular business meeting on Friday, April 11, when a speaker on a League of Nations topic will be heard.

Victoria Women's Institute has taken a full corporate membership in the League of Nations of Canada. Mrs. Palmer, in the good report of this committee, and the members were pleased to note that she has been chosen convener of this committee for the south Vancouver Island district.

The sum of \$10 was voted to the funds of the Salvation Army rescue work. Mrs. Murkar reported a pleasant afternoon social on March 7. For the April 4 social afternoon the hostesses will be Mrs. Laxton, Mrs. Adam, Mrs. Watt and Mrs. Peden. The work of the ways and means committee for the first three months of the year will conclude with a concert to be given next Friday evening in the institute rooms by the Kitchen Cabinet Band. The new ways and means committee for the next three months will be Mrs. Murkar, Mrs. Peden, Mrs. Brin, Mrs. Laxton, Mrs. Sadler and Mrs. Taylor. A concert and play by the institute members early in the fall was planned and will be under the direction of Mrs. Palmer.

A report of the recent British Columbia Agricultural Association meeting and the Vancouver Island Horticultural Society meeting was given by Mrs. Arnold, convener of agriculture. The members voiced their appreciation of the work of Mrs. H. Crocker in the management of the women's building at the Victoria Fall Fair during the past year and the secretary was instructed to send her a letter thanking her for the interest and courtesy shown the institute. Progress was reported in planning the institute exhibit at the Victoria Fall Fair next August. Conveners were chosen for the different sections of the exhibit.

A shower of dahlias and gladioli bulbs for a northern British Columbia women's institute will be held in connection with next month's meeting, when it is hoped to collect a good amount of bulbs for this institute, whose members will try to grow these flowers in their northern climate. The institute directors entertained the members to a shamrock tea on March 14. This was well attended and enjoyed. The programme was composed of piano and vocal selections and readings.

## CHILD HEALTH DAY IS MAY 7

Esquimalt Rural Nursing Area Will Hold Sports Meet at Colwood

Child Health Day, instituted three years ago by the Esquimalt Rural Nursing Service, will be celebrated this year on Wednesday, May 7, at the Colwood Centre. Albert Head, Langford and Luxton and Happy Valley schools, together with Colwood, will take part in the day's programme, field sports being the feature of the afternoon.

The aim of Health Day is to present in a practical manner to the parents the progress of health work during the year.

J. T. Bruce, principal of the Colwood School, is chairman of the sports committee; a programme of the day's sports will shortly be announced. The cups and trophies up for competition include: The Mrs. Herbert Pender Girl's Challenge Cup, for aggregate points in field sports, now held by Langford School; the R. I. Vanderbyl Boys' Challenge Cup, for aggregate points in field sports, now held by Colwood; the Della Dunsmuir Challenge Trophy, for the school securing highest marks for health posters, now held by Langford; the Provincial Board of Health Challenge Cup, for relay race, to be competed for by teams from health centres of the surrounding districts, now held by the Cowichan Health Centre.

## CHIROPRACTORS

(Continued From Page 4)

traps they have set for the unwary, to be hoist by their own petard, and to hang as high as Haman on the gallows they have erected for their opponents. Dr. Guillotin, one of the leading advocates of compulsory vaccination and surgery in his day, invented the guillotine and was himself soon imprisoned and kept long in daily expectation of decapitation by his own invention, suffering greater mental anguish than many of his invention's comparatively innocent victims, for cowardly culprits die many times, but a man who is brave for a principle dies but once, even then regretting that he has but one life to give for the cause he loves. And just as the guillotine was invented to monopolize the surgical operations during a critical period of modern history, even so a federal bureau devised by allopathic means to decapitate all other schools of healing, may ultimately operate to truncate the allopathic organization itself. So I want to record on the shifting sands of time the warning and the threat, if you please, that if the medical profession goes on itching its selfish decrees in the statute books of Canada, it is going to create a stampede of frenzied public opinion that will trample it to dust beneath the hoofs of the very laws by which it is trying to ride down the

## Soccer In O.C. UPLANDS Is Featured By Number of Goals

Heavy Scoring Seen in Matches in Both English and Scottish Competitions; Failure by Leading Clubs Leaves English First Division Standing Unchanged; Blackpool and Oldham Heavy Scorers; J. Jackson Stars as Huddersfield Enters Cup Final; Dundee United's One-sided Win Surprises

### Canadian Press

London, March 24.—Failure by the leading clubs in the English League, First Division, left the soccer table in much the same position as it was before Saturday's matches. Derby County were beaten by Sheffield United, Manchester City could only tie at Newcastle, while Aston Villa were beaten at Liverpool. Blackburn Rovers alone improved their position by beating Portsmouth. The Wednesday, playing a cup semi-final, are still in first place, in front of Derby County and Manchester City.

Forty thousand saw the game at Liverpool. The Villa took the offensive in the early stages, but while they played pretty well the Liverpool defence was sound. Gunson netted for Liverpool after a half an hour's play. Liverpool had a bad time for a while at the opening of the second half, but Riny, their goalkeeper, was in an inspired mood and let nothing go. Smith netted Liverpool's second goal from a pass by Hodgson. After that Liverpool's defence bottled all the Villa attacks.

### WATSON SCORES TWICE

West Ham United crushed Leeds United at Upton Park, winning by 3-0 in the presence of 30,000 spectators. West Ham's first goal came in the thirty-seventh minute, when Watson cleverly eluded Milburn and shot in a low, fast one. Within half a minute of the restart Watson took a forward pass from Barrett to add the hammer's second and sixteen minutes later completed his hat-trick.

Oldham Athletic and Blackpool kept together at the top of the Second Division table by the big wins. Blackpool smothered Charlton Athletic by 6-0. Blackpool played throughout with great confidence, Hampson, their scoring ace, putting on one of the best games of the season. He did the hat-trick in the first half and scored a fourth in the second. Ratnay and Upton had the balance of Blackpool's tally.

### Scorers for Oldham, who beat Bradford City by 6-1 were: Worrall, Gray, two, and Taylor, three; Stevenson replying for Bradford.

### Canadian Press

London, March 23.—Playing an opportunity game Huddersfield Town secured a berth in the final for the English Football Association Cup competition when they defeated the Wednesday team at Old Trafford, Manchester, in the semi-final on Saturday. They won by 2-1. The other two semi-finalists, Arsenal and Hull City, who met at Leeds, played to a 2-2 tie and must meet again.

J. Jackson, Huddersfield international forward, was the hero of the Manchester game, scoring both goals by brilliant cleverness. In the first half he netted twice, while the Wednesday centre forward, broke through, but appeared to handle. The Wednesday team expected a whistle and ignored Jackson, when he got the ball.

### To Hold Meeting On Formation Of Net Association

Definite steps to create a Vancouver Island Tennis Association, including the formation of a tennis league, have been taken by officials connected with the Victoria Lawn Tennis Club, who are sponsoring the project. Dr. Eric Ross, western vice-president of the Canadian Lawn Tennis Association and, until recently, president of the Victoria Lawn Tennis Club, has called a meeting to be held in his office at 12 Victoria street, Wednesday afternoon, to discuss the matter. Other interested parties in the idea are Noel Staples, veteran tennis executive of the Duncan Tennis Club; Hugo Raymond, Victoria Club captain, and Ross Hocking of Kingston Street Tennis Club.

## DEFEAT OAK BAY

Establish Nineteen-point Lead in First Half of Interclub Golf Match

Uplands "A" Team Scores Decisive Victory; Oak Bay Wins "B" Team Match

The Uplands Golf Club engaged in a team match with two sides from the Victoria Golf Club yesterday, and at the finish of play had hung up a lead of nineteen points for the first half of the interclub competition. At the Uplands links, where the "A" squads played, the home players won by a total of 30½ to 11½, while at the Oak Bay links, where the "B" squads were playing, the Victoria team won by a score of 27 to 21, giving Uplands an advantage of nineteen on the two matches.

At the Uplands, the home players gained big edge in the fourball, scoring twenty-one points to Oak Bay's three. In the singles Uplands again won out by a score of 15½ to 8½. In the singles Bob Morrison of Uplands, city champion, turned in a fine victory over Jack Matson, Oak Bay's star player.

In another interesting match Harold Brynjolfson, young Uplands star, accounted for A. O. Beasley, one of Oak Bay's first stringers. Morrison and Brynjolfson paired with A. C. Falk and W. Newcombe, respectively, also won both their fourball matches.

### BREAK EVEN

In the match at the Oak Bay links the teams broke even in the fourball matches played in the morning, each gaining twelve points, but in the singles the Victoria players gained their edge, scoring fifteen points against Uplands' nine.

The scores in the "A" team match with the Victoria players first mentioned follow:

**FOURBALLS**  
J. R. Mastron and K. C. Allen 0, R. Morrison and A. C. Falk 2.  
A. O. Beasley and Alex Watson 0, H. Brynjolfson and W. Newcombe 2.  
Harold Wilson and Alan Taylor 0, C. Brynjolfson and H. O. MacKenzie 2.  
A. S. G. Muirgrave and G. M. Lynes 1.  
(Concluded on page 14)

## THISTLES ARE NOW IN TIE WITH WESTS

Defeat Jokers to Create Deadlock For Leadership in Combination Cup Soccer

Five C's Spring Surprise By Win Over Esquimalt; Quaint in "Hat-trick"

Defeating the Jokers 2-0 at the Royal Athletic Park on Saturday afternoon, the Saanich Thistles jumped into a tie with the Victoria West for the leadership in the Combination Cup soccer series. In the other match of the day the Five C's spring a surprise by defeating the Esquimalt eleven 5-3 at Beacon Hill. The Wests and Thistles are now tied for the lead with six points apiece, but the greenhorns have the edge through having played one less game. The Jokers are in third place, one point behind the leaders.

After having battled through a scoreless first half the Thistles netted two counters in the final forty-five minutes to gain their victory over the Jokers. The teams forced to play on a field covered with snow and ice, and with a wind sweeping across the pitch were at a decided handicap, and naturally the brand of soccer was not of the best. With the wind at their backs in the first half the Thistles forced the play for the greater part, but they were unable to get the ball past Chalmers, in the Jokers' net.

### THISTLES TAKE LEAD

Soon after the teams had resumed play in the second half Minnis put the Thistles one goal to the good when he headed in Phillips' centre from the right wing. Jokers were on the offensive for a few minutes, but their forwards lacked the finish to get past the Thistles' back division.

This put more pep in the game with the Jokers taking up the attack. They forced a number of corners, but their forwards found it impossible to lodge the ball between the posts. Hogan, in the Thistles' net, turned in a good performance at this stage stopping a number of difficult shots. The final whistle found no change in the score.

Woodley refereed.

The teams were as follows:

Saanich Thistles—Hogan; Harper, Armstrong, Vigners, Joe Crowe, Jim Crowe; Phillips, Essler, King, Minnis and Ewing.

Jokers—Chalmers; McKenzie and Coburn; Banks, White and Phillips; Campbell, Salisbury, Erskine, McElroy and Carmichael.

(Concluded on page 14)

## EASTER HERO IS SCRATCHED

Lameness Will Prevent U.S. Horse From Running in Grand National

Wantage, Eng., March 24.—J. R. Anthony, trainer for J. H. Whitney, today stated that Easter Hero had been scratched from the Grand National, last week's lameness having returned.

Easter Hero, who was a favorite for the famous steeplechase which will be run on Friday at Aintree developed lameness several days after winning the Gold Cup at Cheltenham about ten days ago and has been under the care of a veterinary ever since.

Sportsmen generally, and betting people especially, were bitterly disappointed at the withdrawal of such a great chaser from Friday's race. On the first intimation of lameness Easter Hero's betting price lengthened considerably, but later news that his leg was yielding to treatment, raised everyone's hopes and more money was placed on him. The result of this was that to-day's official card overplayed him a favorite at 10 to 1 with Grackle and Mr. Whitney's other horse, Sir Lindsay, both at 100 to 1.

Consequently this afternoon's announcement that Easter Hero was unfit to run caused much disappointment.

## Ian Drum Winner Of Junior Event At Uplands Club

In the junior competition staged at the Uplands Golf Club on Saturday Ian M. Drum was the winner with a gross score of 88, which his handicap of 19 reduced to a net 76. R. Poultz Jr. defending holder of the trophy finished with a net score of 86. The next junior competition will be held on June 28.

Scores in Saturday's match follow:

G. H's.	Net
Ian M. Drum	95 17 78
B. Carmichael	90 10 80
D. Balfour	108 27 81
Jas. Randall	110 26 84
L. Hibbard	102 20 82
D. Jenkin	102 20 82
W. Findlay	107 24 83
C. Archibald	111 27 84
Geo. Beveridge	99 14 85
R. Poultz Jr.	108 28 86
E. Foulis Jr.	110 26 86
Tom Smith	120 30 90
K. Ellis	108 17 91
Jack Cameron	123 30 93
D. Carmichael	114 20 94

## Kearns Is Sued For "Love Balm"

Los Angeles, March 24.—Details of an alleged marriage of Jack Kearns, former manager of Jack Dempsey, ex-champion pugilist of the heavyweight rank, to Edith Angel, were revealed in an affidavit on file in municipal court yesterday.

The affidavit was filed in connection with the woman's suit for \$5,000 against Kearns. In the original complaint, the woman, who also is known as Legana Kearns, bases her claim for the money upon an agreement in writing in which Kearns promised to pay \$500 a month, under one or the other "should obtain a divorce."

Kearns filed a reply to the complaint stating that he signed the agreement, but did so under coercion, stating that he was threatened with unfavorable publicity.

## Albie Davies Is Winner in Bout With Ainsworth

Vancouver, March 24.—Chris McArdle and Al. Posen, Vancouver flyweights, fought four rounds to a draw in the feature bout on a boxing card here Saturday night. Another draw verdict was rendered in the semi-final bout between two welterweights, Gordon Wallace, Vancouver, and Leo Roberts, Stockton. Results of preliminaries follow:

Albie Davies, Victoria, lightweight, took a decision from George Ainsworth, Vancouver.

Red Tingley, Bellingham, took the decision from Bill Shaw, Vancouver. Tingley and Shaw are light-heavyweights.

Jack Watson, Vancouver, welterweight, knocked out Harold Peters, Bellingham, in the first round.

Tim Keist, Victoria, lightweight, and Larry Hanson, Seattle, fought four rounds to a draw.

Phil Trudeau, Bellingham, welterweight, won the decision from Norm Woods, Vancouver.

(Concluded on page 14)

## Rousing Spurt On Stretch Results In Track Record

Speedy Eastern Five-year-old Finishes Three Lengths Ahead of Alexander Pantages and Wins Agua Caliente Handicap; Donnay Is Third; Victorian Three-fifths of Second Behind Mark for Event Set by Calaris at Tijuana; Pantages Pays \$16.80 to Place

By PAUL R. ZIMMERMAN  
Associated Press Sports Writer

Agua Caliente, Mexico, March 24.—Out from the dust of Brown Wisdom's flying feat came Victorian, of the Warm Stable, Lexington, Ky., to win the first annual running of the Agua Caliente handicap in record time. The speedy Eastern five-year-old staged a rousing spurt on the home stretch to finish three lengths ahead of Alexander Pantages, Allocatedro stable, Los Angeles, and five lengths in front of Donnay, Ranecoras stable entry, New York, third, in 2 minutes 3¼ seconds for the mile and one-quarter.

## LARGE ENTRY FOR HANDSOME KING'S PLATE

Classy Thoroughbreds Will Race in Blue Ribbon Event at Toronto May 17

Free-Thinker, Who Had Great Record Last Season, Heads Fine List

Canadian Press  
Toronto, Ont., March 24.—Sixty-two province bred are entered for the renewal of the King's Plate, great feature of the Ontario Jockey Club's spring meeting, to be run over the mile and a furlong distance, at Woodbine Park here on May 17.

The list includes the pick of the provincial thoroughbreds. Free-Thinker, the Omar Khayyam gelding who had last year, when his strength gave out, the finest record on Ontario tracks in last season's juvenile campaign, heads a contingent of six from the Sagarm stable. Ryland H. New entered six, and J. B. Fletcher has five, including the five-year-old Ichiro and four-year-old Lindsay, eligible because they never won a race since they ran as two-year-olds.

The race, oldest continuously-run feature of the continent, carries added money of \$13,000 to the fifty guineas donated by His Majesty.

## REGINA PATS WIN EASILY

Defeat Winnipeg Elmwoods 3-0 in First Game For Western Junior Ice Title

Winnipeg, March 24.—Proud ruler of the West's junior hockey domain, Elmwood Millionaires, hovered on the brink of disaster Saturday night before the challenge of Regina's canbanning Patricia. Records lay in a broken heap behind the Young Pats as they pounced on the Abbott Cup defenders, stung them with a 3-0 defeat and stood triumphantly on the threshold of inter-sectional battle for the Memorial Cup and Canadian championship.

Elmwoods barely caught themselves in time from falling completely under the sway of the charging Reginsians. As it is, Pats will carry the three-goal advantage into the second game of the western final here Monday night. A "fighting" band that staged a remarkable comeback to oust Calgary Canadians a year ago in the same series, Elmwoods nevertheless face an almost impossible task. They must outscore a squad by four goals that won three contests last week without once having a goal scored against them.

Toronto, March 24.—West Toronto, Ontario Hockey Association champions, qualified to meet either Regina or Winnipeg Elmwoods in the final series for the Canadian junior crown by defeating Ottawa Rideaus, Eastern Ontario titlholders, 3-1 here Saturday night.

The contest was the second of a home and home series for the eastern Canada championship. Ottawa won the first game 4-1. Victory Saturday night gave the West Toronto the round 6-3. Ottawa lost Saturday night, because of incurring penalties at critical moments.

## Varsity Wins

Vancouver, March 24.—Playing a fast and aggressive game, Meradomas put Rowing Club out of the Tisdall Cup when they defeated the oarsmen, 17-0, in an English rugby contest at Brockton Point Saturday afternoon. The Rowing Club boys were superior at all stages, holding a lead of 8-0 at half-time. The defeat of Rowing Club gave Varsity the Tisdall Cup.

## Tilden Wins Easily In Cannes Tourney

Cannes, France, March 24.—Big Bill Tilden easily defeated the ambidextrous Italian, Giorgio de Stefani, 6-4, 6-3, 6-6, 6-1.

6-3, 6-4 in the finals of the Cannes tennis tournament yesterday. The doubles title also fell into Tilden's hands. He and Wilbur Coen conquered the Japanese, Takekichi Harada and Yoshio Ohta, 6-3, 6-3, 1-6, 6-3. In the mixed doubles, however, Tilden met with a reverse. He and his German partner, Cecilie Aussem, bowed to Elizabeth Ryan and Harada, 6-3, 3-6, 6-1.

The Holiday You've Wanted All Your Life

Now You May Get it FREE!

Just imagine the thrill of a stroll up Champs Elysees on a sunny afternoon from the Arc de Triomphe to the Tuilleries then on past the Calonne Vendome to spend an hour or two in the smart shops along Rue de la Paix . . . you are in Paris!

... and then to think that the expenses are paid by E. A. MORRIS LTD. of Victoria . . . you pinch yourself to see if you are really awake. There are no strings of any kind attached to this offer—all you have to do is come in and ask for the Holiday Certificates we are giving away free. You do not even have to make a purchase. The full details of this remarkable offer are printed on the certificate. Come as often as you like. The more certificates you have the better.

antique collector in "In the Next Room." First National's thrilling new mystery picture, opening at the Capitol Theatre to-day.

The spine-chilling events leading up to the murders and the funny incidents occurring to the reporter, detective and cops who try to solve the mystery are shown.

"In the Next Room" is considered one of the best First National melodrama thrillers since "The Gorilla." Jack Mulhall is featured, and Alice Day, who played the feminine lead in "The Gorilla," is cast opposite Mulhall.

Practically all of the action in the pictures takes place in the old house from the cellar to the garret, and the story, it is said, has a most unusual twist at the end.

The cast includes Jane Winton, Robert O'Connor, John St. Polis, Claude Allister, Aggie Herring, Edw. Jennings and Webster Campbell.

GRADING PAYS

Canadian potatoes made a good start for 1930 by taking a premium in the Boston market over the State of Maine product. A report received by the Fruit Branch of the Dominion Department of Agriculture from the United States market service shows that P.E.I. potatoes selling in ninety-pound lots got a price of from five to fifty cents more per unit than was paid for the same class of product from the State of Maine selling in a 100-pound bag. Every carload and cargo of potatoes shipped out of P.E.I. was government inspected and certified.

## SECOND WEEK OF COMEDY

McLeod Players Continue Presentation of "Tell Me the Truth"

Special Performance For Poppy Fund on Wednesday

"Tell Me the Truth," the comedy at the Royal Theatre last week, has proved so popular that a second week's run will be given the production. The Gordon McLeod English Players present this amusing farce with delightful finish.

Claude Bailey has a never-to-be-forgotten role as Worthington Smythe, the naughty nephew and Lillian Christie as the maiden aunt, Elizabeth Tweedie, who goes off on the spree, is extremely funny. Margaret St. Barbe-West as the demure little cousin, Amelia Tweedie, and Roland O'Brien as Wrigley, her lover, are both delightful in the mingling of comedy and sentiment.

Ernest Bodin, as the harassed family lawyer through whose fault much of the tangle in the affairs of the Tweedie family are caused, is excellent, while the other three characters, May Tweedie, the elder aunt; Nanny, the family nurse, and Vane, the butler, are played with great finish by Ann Farrer, Maudie Blay and Harcourt Aubrey, respectively.

In its dignified and elegant setting the Gordon McLeod Players have demonstrated again their attention to all detail which can do so much to enhance the atmosphere of a play.

The Armistice Period Association is endeavoring to get all their units to take seats on Wednesday afternoon or evening. A proportion of the proceeds will be given to the Poppy Fund to further its good work. This movement is under the distinguished patronage of the Administrator of the Province, the mayor and several of the cabinet ministers.

A. Prescott, musical director at the Royal, has written a special overture, entitled "Veterans of Canada," for the occasion. It is hoped there will also be a large attendance of the general public in addition to the many hundreds of veterans.

There are five war veterans in the company, who are, naturally, taking a keen interest in the success of the day. They are Gordon McLeod, James McGrath, Claude Bailey, Harcourt Aubrey and C. Middleton Evans.

### Mystery Title For Production At Variety Theatre

Toby Leitch Players Appear in Comedy "13" All This Week

The intriguing name of the Toby Leitch Players' production for the Variety Theatre this week is "13."

"It is one of the rollickest, funniest, and most mischievous things we've ever presented," says Raymond Toby Leitch, popular Variety director. "But I'm going to leave it to you to guess just exactly what it is. It's funny all right—I can assure you of that. Anyone who enjoys an evening of laughter is certainly going to have his money's worth."

"Thirteen is usually considered unlucky. Well, then, what is your guess concerning this production? Is it lucky or unlucky?"

Rollon Parker will play the leading role in this mysterious "13," Toby announced. It is a role that calls for a great deal of histrionic skill and one in which this handsome and accomplished young actor will undoubtedly prove excellent.

The all-star case also includes Leone Weber, Esther Todd, Ruth Albright, Phil Keefe, Leon Cluff, Lorus Bagley and Will Marshall.

The success which is attending the Variety Theatre productions is rapidly enhancing the fine reputation the Toby Leitch Players enjoy in Victoria.

### WELSH SINGERS TO APPEAR HERE

Famous Choir Will Give Performances in City at End of Month

It is not really difficult to explain why people of all nationalities have fallen so readily under the spell of the Welsh Imperial Singers, who will appear in Victoria on March 31 and April 1, at the Shrine Auditorium. The music which they sing is the finest of a great period of choral music, and they sing it with such sensitiveness that its beauty goes straight to the hearts of all listeners.

Thus the success of this world renowned choir in Germany, Switzerland and in the British Empire, and when the Welsh Imperial Singers gave a recital in Geneva, the home of the League of Nations, a local paper observed that their work was of "inestimable value in cementing the friendship of peoples."

The wonderful repertoire of over 900 songs which the Welsh Imperial Singers have available for their programmes, comprises a golden heritage from the great age of Elizabethan music. It was customary in those days for a company of friends who were dining, to gather around the table at the close of the meal, and join in singing for the hour of the evening. The pleasure and edification thus derived may be judged by the joy manifested by the Welsh Imperial Singers in rendering their programmes.

As only a limited number can be accommodated in the Shrine Auditorium, patrons are requested to make their reservations now, at Fletcher's Music Store, Davis & King and the Willis Piano Co.

### George O'Brien Has Fine Talkie Role in "Salute"

Vibrant Baritone Voice Gives Popular Star Success on Talking Screen

That the talking screen has given George O'Brien still another support to his ladder of success is the opinion of those who have heard him, the first time on Fox Movietone, in "Salute," the all talking Fox Movietone drama now playing at the Playhouse Theatre. O'Brien's voice, a vibrant, youthful baritone, exactly suits his personality and appearance. He portrays the role of an All-American West Point half-back who succeeds in life and love with equal ease.

William Janney, Helen Chandler, Joyce Compton, Stepin Fetchit, Frank Albertson, David Butler and others are in the cast.

### Belle Baker Makes Motion Picture Debut In "Song of Love"

Great Vaudeville Artiste to Appear in Film Here Soon

Belle Baker, famous vaudeville artiste, makes her motion picture debut in "Song of Love," the Columbia all-talking, singing, vivid backstage drama which is coming to this city shortly. Miss Baker has consistently refused to appear on the screen because she felt that the talkies had not reached the point to do justice to the human voice. Columbia made the offer at a psychological time. Miss Baker feels now that talking films are sufficiently perfected to reproduce the voice so that it is life-like. Another factor that influenced Miss Baker to make her debut at this particular time was the but at this particular time was the script Columbia pictures presented for Miss Baker's approval. The notable vaudeville favorite felt that "Song of Love" was a vehicle that catered to her particular talents.

Canadian farmers are finding a new opportunity in the cultivation of the soybean. During 1929 soybean oil and other products to a value of nearly \$2,000,000 were imported by Canadian industries. Experimental work conducted by the Dominion Department of Agriculture shows that eighteen varieties can be successfully cultivated in Canada. It grows under essentially the same conditions as corn, and generally speaking, can be grown anywhere corn grows, and with about the same results.

### Stomach Troubles That Are Dangerous (CUT THIS OUT)

Some forms of stomach trouble, if neglected, often lead to dangerous conditions—ulcers or cancers—then, a surgical operation is about the only hope.

For this reason, even the most simple stomach ailments should be given prompt and careful attention. Do not neglect acid stomach, sourness, gas or bloating! And don't waste time with unknown or unreliable treatments. At the very first signs of distress, go to any good drug store and get some pure Bismarck Magnesia (powder or tablets). This special Magnesia Compound is safe and pleasant to take—quickly, almost instantly, effective and does not act as a laxative. Be sure and ask for BISMARCK Magnesia for stomach troubles only. (Advt.)

### Richard Dix As British Officer In Columbia Picture

"The Wheel of Life" Is Title of Exciting Story of India

"The Wheel of Life" based upon the successful stage play by James Bernard Fagan, was adapted for the screen by John Farrow, who did the adaptation or continuities of such screen hits as "Ladies of the Mob," "The Woman from Moscow," "Three Week-Ends," "Wolf Song" and "A Dangerous Woman."

The action of "The Wheel of Life," which it at the Columbia Theatre to-day, shows Richard Dix as Captain Yeuliat, of the British service in India. A love affair develops between Yeuliat and the young wife of his superior officer, an older man. Yeuliat and the girl are parted when he gets a transfer to Tibet in order to prevent a scandal in the regiment. But they meet later when Dix goes to the rescue of British travelers who are besieged in an ancient Buddhist monastery high in the Himalayas.

## WAGENHALS BUYS LIONS FOR ESTATE

Theatre Magnate to Use Art of Ming Dynasty as Gateposts at Hudson Home

Man Who Produced "The Bat" and Other Record Shows Here From Orient

When Lincoln A. Wagenhals, famous theatrical producer, was taking in the sights of Peking on his recent tour of China he saw a couple of stone lions dating back to the Ming dynasty, and promptly conceived the idea that the ancient monuments would look well as gateposts at the entrance to his mansion, "Wannegin," Montross-on-the-Hudson.

He no sooner conceived the idea than he acted upon it and purchased the lions for \$500 in a ready sale through a native intermediary.

Then he arranged with an agent of the American Express to pack and ship the purchase to New York, selected some Mandarin rugs from China and other Oriental relics, and pocketed his travel chequebook with the mental observation that he was ready to return home.

"You know, I have an idea those lions will look well at the entrance to my place on the Hudson," said Mr. Wagenhals, as he disclosed details of the interesting transaction while in the old Chinese capital.

FIVE HUNDRED YEARS OLD

"They are over 500 years old and are said to have been part of the architectural scheme of one of the Manchou princes' palaces in the hills beyond the Forbidden City."

Mr. and Mrs. Wagenhals arrived in Victoria yesterday on board the American Mail liner President Madison after making a tour occupying two months through the countries of the Orient.

"It was all very fine, but I wouldn't make the trip again for any amount of money," remarked the wealthy theatrical producer, stressing the discomforts of traveling where schedules are not of the clockwork variety and because of the uncertainty of the elements.

"But at that I'm a good sailor," he said, in explaining that the President Madison was a fine seaboat and rode out well a particularly vicious storm that put the ship back on her schedule as she was negotiating the 180th meridian.

PRODUCED "THE BAT"

Wagenhals and Kemper, one of the most famous business combinations in the theatrical firmament, have been responsible for the production of some of the most noted plays that have caught the imagination of the public.

They produced "The Bat," the sensational mystery play which had a run of three years in New York and two years at the St. James' Theatre in London, breaking all records for successful shows in the United States.

Other notable successes produced by Wagenhals and Kemper which are still fresh in the public mind were "Paid in Full" and "Seven Days."

Some of the most noted artists of their day were presented by these theatrical wizards, including Madame Modjeska, who appeared with them chiefly in Shakespearean roles, Henry Miller and Annie Russell.

They built the Astor Theatre in 1905, for many years the ultra-fashionable playhouse of New York, which has now been reduced to the category of a moving picture house.

For thirty-six years Lincoln Wagenhals and Collin Kemper were in partnership in the theatrical business, and they retired in 1914, only to come back in 1920 to produce "The Bat," the greatest show they ever put over the footlights.

Mr. Wagenhals is a multi-millionaire and owns an estate of 100 acres on the Hudson River.

## BIG CANADIAN TRADE AFFECTED BY U.S. TARIFF

Rates in Senate Bill Compared With Rates in House Measure

By KEN CLARK, Canadian Press Staff Correspondent

Washington, March 24.—Barring a miracle, the Hawley-Smoot Tariff Bill will be passed by the United States Senate to-day or Tuesday. As revised by the Senate, it carries rates inimical to the interests of Canadian exporters on a considerable number of agricultural products, fish and lumber. Canadian trade affected probably amounts to \$75,000,000 a year.

The bill will be sent to conference between the House and Senate. Republican leaders assert it will come out of the conference in about four weeks and will be then revised by signed by President Hoover and become law. There is a possibility that in the conference some of the rates affecting Canadian trade may be lowered. The rate of \$150 per thousand board feet placed on softwood lumber may be eliminated.

RATES COMPARED

The following is a detailed tabulation of the important rates as carried in the tariff bill after the Senate had finished framing the rate schedules, showing a comparison with duties in the House bill and those now in effect. Where Senate and House rates disagree they will have to be settled in conference.

Agricultural schedule of rates: Cattle, under 700 pounds, per pound—Senate, 1/4c; House, 3c; present, 1 1/2c. Cattle, 700 pounds and over, per pound—Senate, 3c; House, 3 1/2c; present, 3c.

Fresh beef and veal, per pound—Senate, 5c; House, 5c; present, 5c. Sheep, lambs and goats, per head—Senate, 5c; House, 5c; present, 5c. Fresh mutton, per pound—Senate, 5c; House, 5c; present, 3 1/2c.

Fresh lamb, per pound—Senate, 7c; House, 7c; present, 4c. Swine, per pound—Senate, 2c; House, 2c; present, 5c.

Fresh pork, per pound—Senate, 2 1/2c; House, 2 1/2c; present, 7c.

Bacon, hams and shoulders, per pound—Senate, 3 1/2c; House, 3 1/2c; present, 2c. Lard, per pound—Senate, 3c; House, 3c; present, 1c.

Milk, per gallon—Senate, 6 1/2c; House, 6c; present, 3 1/2c.

Cheese, per pound—Senate, 50c; House, 45c; present, 30c.

Skimmed buttermilk, per gallon—Senate, 5c; House, 1 1/2c; present, 1c. Butter, per pound—Senate, 14c; House, 14c; present, 12c.

Chickens, per pound—Senate, 8c but not less than 45 per cent; House, 7c but not less than 25 per cent; present, 5c but not less than 25 per cent.

Live poultry, per pound—Senate, 3c; House, 6c; present, 3c. Dressed poultry, per pound—Senate, 10c; House, 10c; present, 6c.

Turkeys, per pound—Senate, 10c; House, 10c; present, 6c. Eggs, per dozen—Senate, 10c; House, 10c; present, 8c.

Halibut, frozen, per pound—Senate, 5c; House, 4c; present, 3c. Clams—Senate, 30 per cent; House, 35 per cent; present, 3c.

Canned oysters, pound—Senate, 8c; House, 8c; present, 10c. Canned oysters, hundredweight—Senate, 25c; House, 25c; present, 10c.

Oats, bushel—Senate, 16c; House, 16c; present, 15c. Flax seed, bushel—Senate 55c; House, 55c; present, 55c.

Alfalfa seed, pound—Senate, 8c; House, 3c; present, 4c. Alsike clover seed, pound—Senate, 8c; House, 5c; present, 4c.

Crimson clover seed, pound—Senate, 2c; House, 2c; present, 1c. Red clover seed, pound—Senate, 8c; House, 6c; present, 4c.

White clover seed, pound—Senate, 8c; House, 8c; present, 3c. Onions, pound—Senate, 2 1/2c; House, 2c; present, 2 1/2c.

Potatoes, hundredweight—Senate, 75c; House, 75c; present, 50c. Tomatoes, fresh, pound—Senate, 3c; House, 3c; present, 5c.

Turnips and rutabagas, hundredweight—Senate, 20c; House, 25c; present, 12c.

Hay, ton—Senate, 85; House, 84; present, 84. Straw, ton—Senate, \$1.50; House, \$1.50; present, \$1.

Maple sugar, pound—Senate, 8c; House, 7 1/2c; present, 4c. Maple syrup, pound—Senate, 5c; House, 5c; present, 4c.

Flax, unhackled, pound—Senate, \$1.50; House, \$1.50; present, \$1. Wool, raw, pound—Senate, 34c; House, 34c; present, \$1.15.

Hides—Senate, 15c; House, 10 per cent; present, free. Shoes—Senate, free; House, 20 per cent; present, free.

METAL SCHEDULE Pig iron, ton—Senate, 75c; House, \$1.25; present, \$1.15. Manganese ore, pound—Senate, 1c; House, 1c; present, 1c.

## Does this Modern Girl's Reasoning Appeal to You?

Life Savers, Limited, Prescott, Ontario.

Dear Sirs:

I presume the subject of unpleasant breath is pretty tiresome to you folks — but I am sure that the advertising of Life Savers will keep you, and I believe this is why.

One doesn't carry a mouth wash with her and no matter how strong a breath purifier may be, its effectiveness quickly wears off — and the likelihood of an offensive breath is always present.

Personally, I am terribly sensitive about it — for, as everyone knows, the guilty person is rarely aware of it. She always carries a Life Saver in her purse, and never without it. Life Savers are many times more effective than any other breath purifier. I find that Life Savers not only overcome the slightest chance of bad breath, but soothe my throat and soothe my mouth. I find that Life Savers not only overcome the slightest chance of bad breath, but soothe my throat and soothe my mouth. I find that Life Savers not only overcome the slightest chance of bad breath, but soothe my throat and soothe my mouth.

Very truly yours,  
Helen R. Jordan

## NEW SCRAP IS FEARED IN CHINA

Feng Yu Hsiang and Cohorts Getting Restless, Says G. B. Enders of Shanghai

"Old Ironsides" Thrown in Side of Chiang Kai Shek in South China

Opposing factions in China are preparing for another scrap, according to G. B. Enders of the National City Bank of Shanghai, who reached here yesterday by the liner President Madison from the Orient.

"When I left Shanghai there were constant rumors that Feng Yu Hsiang and his allies, Yen Shi Shan, governor of Shensi province, and Chang Hsueh Ling, the war lord of Manchuria, were again getting restless," said Mr. Enders.

Feng Yu Hsiang, who is known as the Chinese Christian general, has been causing a great deal of trouble in the Peking area.

REBEL OF SOUTH

Chang Fa Kwel, who is known as "Old Ironsides," is constantly on the

warpath in South China and needs a lot of watching by the troops of Chiang Kai Shek, said Mr. Enders. "Old Ironsides" has a following of about 25,000 men in the Wuchow territory and is a thorn in the side of the Nationalist government.

### SOONG DYNASTY

The biggest man in South China today is T. V. Soong, the Nationalist Minister of Finance, Mr. Enders believes. The Nationalist government is often referred to as the Soong Dynasty, because of the many members of the Soong family in it.

Soong has control of the moneybags, which places him in an invulnerable position and gives him the status of a dictator.

The fact that Shanghai is the richest port in China and contributes more to the Nationalist treasury in much-needed revenue, was the prime reason for the switching of the capital of the country from Peking to Nanking when the present government took office, according to Mr. Enders.

C.G.I.T. Council Meeting. — The monthly meeting of the Victoria Girls' Council was held on Saturday in the Y.W.C.A. at 8:45 o'clock. Games were conducted in the gymnasium by May Pollard. The girls then sat down to tea. The gathering afterwards adjourned to the drawing-room where the meeting opened with a sing-song led by Miss Beall, followed by the business period, during which letters were read as received from other councils. A very interesting talk on "What the Business and Commercial World Expect of its Employees," was given by Mrs. Scurrah. Miss Fountain, Girls' Work Board secretary for British Columbia, said a few words to the girls, after which the meeting broke up into three groups for discussion. The meeting was brought to a close by the devotional period, led by Nellie Cameron.

## Unique Flavor!

### THERE'S A REASON

WE'll give you just one guess why Grape-Nuts is the favorite breakfast food of millions. . . . You've got it! It's that delicate, different flavor that makes people say "You bet it's good."

## PROMISING PAIRS OUT OF TOURNEY

Close Games in Carpet Play See Passage of Last Year's Runners-up

Groutage and McMillan Furnish Feature Event in Singles Division

Keen matches, which marked the elimination of several promising pairs, featured Saturday evening's play in the Capital City and District carpet bowling tournament. Thackray and Saunders, last year's runners up in the doubles contest, were sent down to a 13-11 defeat in the most interesting match of the evening, while Baker and Fugh, who played well on Friday, dropped their encounter with Leiper and Scroggs by a 23-14 count.

Nelson and McMillan advanced with a 13 victory over Mitchell and Liddle.

In the feature singles encounter, Groutage defeated the veteran A. McMillan 21-20 in a match that was nip and tuck from start to finish.

Nelson, winner of the title in this division last year, continued his march toward the final with a 21-8 win over Oliver, while Cruickshanks defeated Cooper 21-13.

Saturday evening's results and tomorrow's draw follows:

Open Doubles

Leiper and Scroggs, 23; Baker and Fugh, 14.

Reid and Lambie, 15; Thackray and Saunders, 11.

Nelson and McMillan, 13; Mitchell and Liddle, 13.

Championship Singles

Groutage, 21; A. McMillan, 20.

Cruickshanks, 21; Cooper, 13.

Nelson, 21; Oliver, 8.

TUESDAY'S DRAW

Open Doubles—7:30 p.m.

Cruickshanks and McMillan, 21; Baker and Fugh, 14.

Leiper and Scroggs vs. Pearson and Turner, table 2.

Wood and Grimes vs. Reid and Lambie, table 1.

Championship Singles—7:45 p.m.

Kirchlin and Champion, table 1.

Hawes vs. Saunders, table 2.

Leiper and Stewart, table 3.

## "AGGIES" PUT ON FINE DISPLAY

Oregon State College Swimming Team Proves Far Too Good For Local Stars

Members of the Oregon State College swimming team more than lived up to their reputation Saturday evening at the Crystal Garden, where they captured their first place in every event in which they competed against the Victoria aquatic stars in the exhibition gala. The local competitors were selected from the memberships of the Crystal Garden and A.M.C.A. swimming clubs. The "Aggies" turned in a brilliant performance and their exhibitions were thoroughly enjoyed by the many spectators present.

In the feature event of the programme, the 100 yards free style for men, Fred Wadley, of Oregon State, finished first, closely followed by his teammate, Wayne Griffin. Tommy Wellburn, holder of many Canadian records at various times, was third. Wellburn has not been taking active part in recent races, and as a result was not in condition.

### WINS ANOTHER EVENT

Wadley was also the winner of the 400-yard free style, taking this event with ease. Taking the lead at the start, he was never pressed and finished well ahead of Kenneth McLean, another visiting star. Teddy Slingsby, marathon star, was third.

In the fifty yards free style for men, Don Wilson, representing Brentwood College, gave Ray MacMahon, of Oregon State, a stiff run, just losing out by a matter of inches. The fifty yards backstroke was also a keenly contested event with Ed. Baistron, of the "Aggies," taking the honors with Dave Walker of the Y.M.C.A.

Giving one of the finest exhibitions seen here for some time, Wesley Coutts, Oregon, captured the honors in the diving with Alan Stewart, of the Y.M.C.A., holder of the British Columbia championship, placing second.

The water polo game was won by the Oregon team by a score of 3-0.

Another event of the programme well enjoyed was the comedy act presented by Ray MacMahon and Wesley Coutts. The two visiting stars proved themselves comedians of no mean ability and provided the gallery with much laughter.

The results follow:

Fifty yards freestyle, men—1. Ray MacMahon, Oregon; 2. Don Wilson, Brentwood College; 3. Wayne Griffin, Oregon. Time, 26-3-5 seconds.

Ladies' plunger—1. Betty Pollard, Crystal Garden; 2. Eleanor Peden, Y.M.C.A.; 3. Winnie Pollard, Crystal Garden. Winning plunge, fifty feet.

Men's plunger—1. Ted Slingsby, Crystal Garden; 2. W. T. M. Barrett, Crystal Garden; 3. J. Cameron, Crystal Garden. Winning plunge, sixty feet, three inches.

400 yards freestyle, men—1. Fred Wadley, Oregon; 2. Kenneth McLean, Oregon; 3. Ted Slingsby, Crystal Garden. Time, 2:48.

Fifty yards freestyle, ladies—1. Helen Beck, Y.M.C.A.; 2. Eleanor Peden, Y.M.C.A.; 3. Winnie Spencer, Crystal Garden. Time, 34 seconds.

100 yards backstroke, men—1. Carl Johnson, Oregon; 2. Bill Wood, Y.M.C.A.; 3. W. T. M. Barrett, Crystal Garden. Time, 1:21-1-3.

Water polo—Oregon Aggies 3, Crystal Garden 0.

Ladies' relay—Won by Y.M.C.A. with the following team: Helen Beck, Edith Peden, Pat Copeland and Midge Carter. Time, 2:48.

100 yards freestyle, men—1. Fred Wadley, Oregon; 2. Wayne Griffin, Oregon; 3. Tommy Wellburn, Crystal Garden. Time, 2:01-2-3.

Diving, ladies—1. Lena Spouse, Crystal Garden; 2. Helen Beck, Y.M.C.A.; 3. Eleanor Peden, Y.M.C.A.

tal Garden; 2. Helen Beck, Y.M.C.A.; 3. Eleanor Peden, Y.M.C.A.

Fifty yards backstroke, ladies—1. Pat Copeland, Y.M.C.A.; 2. Eleanor Peden, Y.M.C.A.; 3. Betty Pollard, Crystal Garden. Time, 48-2-5 seconds.

300 yards relay, men—Won by Oregon State College with the following team: Wayne Griffin, Kenneth Smith, Wes McLean and Ray MacMahon. Time, 1:52-2-5.

Diving, men—1. Wesley Coutts, Oregon; 2. Alan Stewart, Y.M.C.A.; 3. Ray MacMahon, Crystal Garden. Time, 1:15-2-5.

Fifty yards backstroke, men—1. Ed. Baistron, Oregon; 2. D. Walker, Y.M.C.A.; 3. Stewart George, Oregon. Time, 32-3-4 seconds.

## ISLAND WINS HOCKEY TITLE

Defeat Vancouver 5-0 to Gain B.C. Championship; Crofton Scores Three

Playing on a field covered with duck ponds, the Vancouver Island grass hockey team defeated Vancouver to win the B.C. championship at Oak Bay Park Saturday afternoon. The locals showed a fine combination game and blanketed their opponents by a 5-0 score.

Well-organized forward rushes and fine defensive work on the part of the Islanders' victory. From the outset they forced the play into the visitors' ground and ten minutes from the first whistle, Hodgson scored from the twenty-yard line.

D. Crofton, centre-forward for the Islanders, added another tally when he dribbled from his own ground to the Vancouver end and drove in a fast shot. Shortly before half time he repeated his feat to give the locals a 3-0 lead at the interval.

Early in the second half Muncy scored on a combination play and Crofton added the final tally shortly after, following a long dribble.

Staples, Vancouver Island, and Yates, Vancouver, umpired, and the teams lined up as follows:

Vancouver: Meinhuis, Hudson, Milner, Ferrie, Saunders, W. Peers, R. Peers, Browne, DesBrisay and Abercrombie.

Vancouver Island: Bird, Crofton, Grant, Hinton, Denny, Appleby, Hodgson, Farr, D. Crofton, Muncy and Williams.

## BOWLING

Fivepin Bowling League fixtures for this week follow:

Monday, March 24—Jokers vs. Poodle Dog.

Apply to  
Swinerton & Musgrave Ltd. Girdwood & Co. Ltd.  
Or Any Member of the Real Estate Board

## Rain Total For March Is Over Average

With one week more to go and prospects for continued rain, it appears that this March will be considerably wetter than average. Figures released by F. Napier Denison, superintendent of the Gonzales Meteorological Observatory, to-day said that the usual rainfall total for the month has already been reached and that the precipitation during the last week will be in excess of the average.

The city is still over an inch behind the average for the year, but there is a possibility that this will be made up during the next seven days.

Over half an inch of rain fell over the week-end, bringing the total for the month to 2.19 inches.

The precipitation was general over the Pacific slope as far south as Portland.

The barometer remains high over this province and while rain may be expected, mild conditions are indicated.

## NEWS IN BRIEF

Adam Thomas, an Indian, was fined \$10 or ten days in the City Police Court this morning for being drunk.

H. Courcier, of the French Consulate at Montreal, arrived in the city yesterday, from the east. He is staying at the Empress while here.

"Reading Strangers at Night" will be the subject of a lecture by Prof. Robert Mobius at the Conservative Hall, 1039 Douglas Street, to-morrow evening at 8 o'clock.

Gordon Stovel, international gyro president, will address the local club at a special dinner meeting in the Duke of Kent dining-room, Empress Hotel, this evening, at 8 o'clock.

Hearing of Henry Buss on a charge of driving to the common danger laid following an accident at the intersection of Cook and Fort Streets, opened in the City Police Court this morning and was later adjourned until to-morrow.

A friendly debate between the Spokes Club of the Victoria Kinsmen and the effective speaking group of the Junior division of the Chamber of Commerce, will take place at the City Council chamber on Tuesday evening, at 8 o'clock. The meeting will be open to the members and friends of both organizations.

The county of Victoria has been made one fire district under the Fire Marshal Act, it is announced by J. A. Thomas, Provincial Fire Marshal, embracing all the territory outside the four municipalities. The Union Bay fire district has been abolished and that territory absorbed in the Nanaimo fire district.

## FIRST MOVIE SHOWN 1897

Operator of Machine Which Gave Premier Exhibition Here Reveals Date

In reply to letters regarding the date of the first moving picture shown in Victoria, R. Hutchings, who operated the first machine here in 1897, volunteered the following information in the form of a letter to the Editor:

"The first moving picture to be shown in Victoria was shown at the Tilly Forum Hall on Broad Street, located where Wilson's plumbing shop is now situated.

"This machine, an Anet Magnoscope, was owned by a Frenchman, and was engaged for a two-week run, but owing to unsatisfactory operating this engagement was cancelled by Mr. Johnson, the manager of the theatre. Mr. Stevenson of the Delmonico Theatre then engaged the machine upon being assured by the owner that the writer would have the operating of same during the engagement for two weeks.

"About April 1897, Dr. Gregory D. Canet arrived in town with a similar machine.

"He also was inexperienced and could not operate, so that the writer was again called upon to operate the machine. This machine gave the first public exhibition in the Old Drill Hall on Menzies Street in connection with the 5th Regiment band concerts under Bandmaster Finn.

"The machine also operated at the A.O.U.W. Hall for a charitable purpose and was afterwards sold to J. Maher of Nanaimo. It was used in Nanaimo, Vancouver, New Westminster and later in the Kootenay country.

"Further, the Corbett-Fitzsimmons fight was shown at the Delmonico Theatre shortly after the fight."

## D. C. COLEMAN TRAVELS OVER E. AND N. LINE

C.P.R. Vice-President Arrived in City This Afternoon on Return Visit

Paying a return visit to the city after a flying trip to Calgary, D. C. Coleman, vice-president of Canadian Pacific Railway western lines, reached here by the E. and N. afternoon train to-day from Courtenay.

Over the week-end Mr. and Mrs. Coleman were the guests of Colonel Villiers at his country home near Cumberland.

Mr. Coleman to-day took the opportunity of inspecting the E. and N. system, of which he is president. On his present trip he looked over the extensions to the C.P.R. wharves at Nanaimo, the contract for which was recently awarded to the Victoria Pile-driving Company. The completed project will cost in the neighborhood of \$50,000.

J. M. Cameron, superintendent of the E. and N. Railway, this morning went up the Island as far as Nanaimo.

After a short stay in Victoria, Mr. Coleman will return to Winnipeg.

## MINISTERS ARE NON-COMMITTAL ON LAND PLANS

Protection of University Area From Syndicates Not Guaranteed

Despite insistent demands for a reassuring statement, Hon. F. P. Burdett, Minister of Lands, refused to give the Legislature to-day any definite statement that blocks of land in the university endowment area would not be handed in their unimproved condition to individuals or syndicates for development and sale.

Mr. Burdett and Hon. Joshua Hinchliffe said no such scheme had been considered or was contemplated, but they explicitly declined to be tied down to any statement of policy for the future.

"Some better plan may come along," said Mr. Hinchliffe.

"We can't tell what may happen in four or five years," said Mr. Burdett.

Both ministers professed to have a high idea of the value of the lands, and to be just as interested in its proper development as Mr. Pastullo or Mr. Manson.

"We shall evidently have to rely on the assurances of the Provincial Secretary and the minister without portfolio," said Mr. Pastullo, fine of the man confident they would not allow the Minister of Lands to permit vandalism of this fine residential area."

## OBITUARY

The remains of the late Jean Baptiste Durand, whose death occurred March 18, will be forwarded by the Thomson & Fetterly Funeral Home to Red Deer, Alberta, where service and interment will take place.

The late Mr. Durand was fifty-eight years of age and a native of France. He was a well-known rancher for many years at Red Deer.

Mrs. Margaret Rawlins, wife of Percy L. Rawlins of 2874 Austin Avenue, Saanich, passed away in St. Joseph's Hospital on Saturday, aged forty-one years. She was born in New Orleans, La., and had resided in this district for ten years. Mrs. Rawlins was a member of the Order of the Eastern Star. She is survived by her husband and one son, Percy L. Rawlins of Victoria. The remains are resting at the B.C. Funeral Chapel pending funeral arrangements.

The remains of George Donnelly, who passed away at the family residence, 887 West Ave., Saanich, on Thursday evening, were forwarded Saturday night by the Sands Funeral Company to Red Deer, Alta., where the funeral service will take place, and interment will be made in the family plot.

The death took place Saturday afternoon at the family residence, 3144 First Street, Mrs. Ann Tannock, aged fifty-two years. She was born in Sheffield, England, and had been a resident of this city for the past six years. She is survived by her husband, Herbert John Tannock, five sons, Colin, Stanley, G. Albert, Charles C. and Frank, all of Victoria; her father and mother, two brothers and one sister in Edmonton, also two grandchildren. The remains are resting at the Sands Funeral Chapel and the funeral will take place on Wednesday at 3.30 o'clock. The remains will be laid to rest in the Royal Oak Burial Park.

The death took place at St. Joseph's Hospital Saturday evening of John Whyte, aged seventy-six years. He was born in Scotland and had been a resident of this city and Saanich for eighteen months, lately residing at 221 Skinner Street. He is survived by his widow at home, two sons, Alexander of Vancouver and Albert of this city, also a sister, Miss Euphemia Whyte of Scotland. The funeral will take place to-morrow morning at 10.30 o'clock from the Sands Funeral Chapel. Rev. H. A. Ireland will officiate and the remains will be laid to rest in the Royal Oak Burial Park.

The death occurred at Red Deer, Alberta, on March 14, of Judith, wife of O. P. Biswanger, formerly of Victoria, aged sixty-two years. Mrs. Biswanger was born in Saanich Harbor, Durham, England, and is survived by her husband, one brother, J. F. Walton of Victoria, and one sister, Mrs. H. S. Okell of Trial Island.

Many friends attended the funeral of Frank Devereaux, which took place on Saturday afternoon from McColl Brothers' Funeral Home. Rev. W. A. Guy conducted the service, during which the hymn, "Safe in the Arms of Jesus," was sung. Interment was made in Royal Oak Burial Park, with the following as pallbearers: F. Smart, J. Harvey, H. Mitchell and J. Holland.

Miss Annie Mary Osborne of Burnside, B.C., died away yesterday morning at her home. She was seventy-eight years of age, born in Surrey, England, and had been a resident of this city and Saanich for the last thirty-four years. There survive one son, Alfred Osborne of Burnside and Orange Road, two daughters, Mrs. Annie Bradbury, at the family residence, and Mrs. J. Kelly of 727 Pine Street, also two grandchildren. The funeral will take place on Wednesday at 2 o'clock from the Sands Funeral Chapel. Rev. F. Connelley will officiate and the remains will be laid to rest in the family plot at Ross Bay cemetery.

At St. Joseph's Hospital on Saturday, the death occurred of Gwendolyn, wife of A. M. Kirk of 1618 Belmont Avenue. She was born in Nanaimo and is survived by two sons, Jack and Charles, at home, four sisters, Mrs. A. V. Wells of Portland, Ore., Mrs. W. P. Marchant and Mrs. W. Kelwell of Victoria, and Mrs. V. Heather of Vancouver; two brothers, W. J. W. Wilson and Clarence Wilson of Victoria. The funeral will be held from the B.C. Funeral Chapel Monday at 2.30 o'clock under the auspices of the P.E.O. Sisterhood. Interment will be made at Royal Oak Burial Park.

The remains of Thomas Barnstun Ross were laid to rest in Royal Oak Burial Park Saturday, the funeral taking place from Hayward's B.C. Funeral Chapel. Rev. H. P. S. Luttrell officiated in the presence of several friends. The hymn sung was "Nearer, My God, to Thee." The casket was covered with beautiful floral offerings, and the pallbearers were Donald W. Ross, J. Neaves, James Watt and T. Wakeman.

The funeral of Captain George Everett took place from Hayward's B.C. Funeral Chapel Saturday afternoon. Rev. A. de B. Owen officiating. Several friends were present, and the casket was covered with beautiful flowers. The pallbearers were: W. W. Laing, G. Chapman, P. Morris, G. H. Young, G. Johnson and J. Newbold. The remains were laid to rest in Ross Bay Cemetery.

# Here Is Rogers-Majestic's Answer to Those Who Offer Obsolete Radio at Reduced Prices! TO-DAY!

"Rogers-Majestic Day" From Halifax to Victoria, Announcing

## An Entirely NEW Rogers-Majestic at a New Low Price!

The New Rogers-Majestic Lowboy  
\$189.50

On Easy Terms

A beautiful compact Tudor design in richly-grained walnut cabinet. Equipped with the new 1930 model Colora-dynamic Speaker. Super-sensitive and positively without hum.

8 FULLY GUARANTEED ROGERS TUBES

DISTRESS stocks of obsolete radio models are being offered, but who would buy a set that is already an "orphan" and jeopardize their entire investment? Rogers-Majestic meets the challenge and with the vast resources of this great corporation CREATES A NEW AND FINER RADIO SET AT A NEW LOW PRICE.

So that you will not be stamped into buying a radio that is already obsolete... so that you'll be warned not to pay a deposit on one and afterwards regret it... we invite you to let us send this New Rogers-Majestic to your home. Test it in every way... learn the advantages of a new 1930 radio... and pay no cash until you are convinced that it is the finest radio you can buy.

## Flies Plane To City From San Francisco

Flying his own machine, a trim Fairchild cabin monoplane, A. Jones of San Francisco arrived in Victoria Saturday afternoon, landing at the Lansdowne airfield shortly after 4 o'clock. Accompanied by two friends, Mr. Jones is making an air jaunt up the coast. He has flown the machine from San Francisco. His visit here was more or less unexpected, and he pulled out-side the hangar as a motorist might have brought his car to a standstill in a strange town. Customs and immigration officials made a rush call to check in the arrival of the plane.

### TO-DAY'S GRAIN MARKETS

(By Branson, Brown & Co. Limited.)  
Winnipeg, March 24.—Wheat: The market was very weak during the first period this morning when prices broke 3 1/2 to 3 3/4 under the close on Saturday with general liquidation and short selling in evidence, based on the weakness in Liverpool, which more than followed our decline Saturday.

On the break there was short covering and some speculative buying by those who were looking for an upturn which took the slack out of the market, and later there was pretty fair buying by eastern interests that looked like export business, and when it was discovered that offerings were rather scarce, shorts commenced covering, running the market upward until the first period losses were more than recovered.

Chicago also made a good recovery from early weakness and this was a help to Winnipeg. There was nothing in the news to really warrant the upturn and the outside buying was only moderate, but some good interest was shown on the break and absorbed the offerings. There was a better tone to the demand for cash wheat.

There was nothing doing in the way of export over the week-end and no interest was shown by foreigners until the break this morning when some new business came in, but no figures could be secured. A number of visible decreased 2,295,000 bushels, while the U.S. visible decreased 2,309,000 bushels. Continue to favor bulge sales.

Coarse Grains: The coarse grains continue very quiet with a small featureless demand in the cash market and nothing doing outside of small lots of low grades being taken for export purposes. The futures finished rather firm but gained their strength all from wheat.

Flax—This market was rather weak throughout, no feature and demand very light.

(By Branson, Brown & Co. Limited.)  
Chicago, March 24.—Lowest prices for wheat were made at the opening with a good rally from the low points. The visible supply was a fair reduction in view of small clearances, indicating heavy domestic disappearance.

The early weakness was due mainly to weakness abroad, where the recent declines at Winnipeg have also affected sentiment. Argentine and Canada are said to be pressing wheat for sale while the consumptive demand is slow.

The bear news on the market is just the same as it has been for weeks past, and we are of the opinion that prices represent about the maximum effect of these conditions. This leaves the market in position to respond to bullish news, especially in regard to the crop.

Crop reports of an unfavorable kind are coming from a rather wide territory now, and it is worthy of note that the precipitation over most of the winter wheat belt as well as in most western Canada was too light to effect the situation to any extent. Export business is limited.

Farm Board discussing arrangements for storage wheat with mills and other interests, and a way of placing the wheat supplies will probably be worked out.

With the wheat that has been taken out of the market by the Farm Board agencies, there is no pressure of wheat on the cash market, and it is possible that primary arrivals continue small.

Think the chief reason for the small receipts is light stocks back, and it will not be surprising if the government, moving farm reserve figures are found to be much too high.

Believe the market will be two sided and on the setbacks like that of this morning advise the buying side.

The next few weeks will be critical in regard to our crops and that of Canada.

Corn: Turned strong after an initial break which was mainly in sympathy with wheat, there being little pressure after the opening, while there was a good class of buying.

The cash demand was moderate and the basis was steady to half cent lower, and country sales were 18,000 bushels.

Oats made good gains, there being little selling pressure after the early weakness. Cash sales 50,000 bushels, basis unchanged.

### LEGGE URGES 20 PER CENT CUT IN WHEAT ACREAGE

Washington, March 24.—Anticipating a rush of wheat deliveries in May, the Federal Farm Board's Grain Stabilization Corporation is negotiating with millers for storage space to avert a tie-up at terminals. It was learned today that the plan is for millers, who are said to control storage space for millions of bushels of wheat to furnish it for government wheat in return for the privilege of buying from the government supply at current prices.

Washington, March 24.—Prediction that the American farmer would now receive, is made by Alexander Legge, chairman of the Federal Farm Board in the forthcoming issue of Nation's Business.

Mr. Legge estimates in his forecast that 50 per cent less production of wheat by the farmers would yield 20 per cent more income than the farmers now get for the larger acreage they now cultivate. Only through organization, he declares, can the farmer work effectively.

REPORTS ON RUSSIA WARY  
Chicago, March 24.—Many contradictory reports are being received from Russia. While the government insists domestic supplies are plentiful, authentic private messages state that bread lines still exist in the big cities, even for barley bread, and that peasants are still intending to seed only sufficient grain to cover their own requirements; otherwise, any surplus is confiscated at unprofitable prices.

BULLS LOOK TO CROP DAMAGE  
Chicago, March 24.—The Journal of Commerce today says: "Hope of the wheat bulls lies in the damage to the new crop. The world has an excess amount of wheat at present and there is no chance of this being consumed before a new season starts. If this year's production is small enough this surplus, which has been hanging over the market for many months, will be eliminated, or at least reduced to a quantity that will not be burdensome. It is generally believed that the market here will need encouragement from abroad, in the shape of firm market to hold prices steady until such time as real crop damage news develops."

"From reports coming to the trade, it would appear that winter killing of wheat would be moderate this year. Dry weather is most to be feared, however, especially in the southwest, where the soil is light and wheat requires good moisture. Unsettled weather is forecast for this week and the winter wheat belt may get good rains, which would develop in our winter wheat belt with keen interest, and will doubtless govern their buying programme by conditions."

Montreal Stocks  
TAKEN UP, LEADY BRAZILIAN

Canadian Press  
Montreal, March 24.—A strong upward thrust in the final hour today sent the leaders of the Montreal Stock Exchange considerably above Saturday's closing.

Brazilian Traction, a bullish feature recent sessions, closed at 44 1/2, up 1 1/2 from Saturday.

International Nickel closed at 42 1/2, up 1 1/2. The Famous Players issues were strong, the common up 1/2 at 54 1/2, and the voting trust up 1/2 at 54 1/2.

Abitibi, Cobalt, Canadian Industrial Alcohol, Quebec Power, Shawinigan and Winnipeg Electric showed fractional gains.

National Steel Car was off a point or two. Canada Power and Paper, Massey-Harris and Dominion Bridge were slightly down. A number of issues ended the day unchanged.

Montreal Stock Volume  
Montreal, March 24.—Just how the activity of trading on the Montreal Stock Exchange is standing is shown by comparative figures.

For last Saturday total sales were 25,992 shares. This compares with 12,442 shares for the same day a week ago and 106,956 shares on the corresponding day of last year.

The  
Famous  
Mother  
Deplores Her

## Dorothy Dix

Self-  
Absorption  
in Children

**"The Wisest Thing That Any Woman Ever Does Is to Teach Her Children to Stand Alone and to Fill Her Own Life With Interests So She May Have Something to Fall Back Upon When Her Boys and Girls Leave Her," Says Dorothy Dix.**

WHEN a woman absorbs herself in her children she feels that she is giving a beautiful and inspiring example of motherhood. No other women in the world are so complacent and so self-righteous as those who say:

"No. I never go anywhere. I gave up society completely when my first baby was born, and I have lost track of all my old friends. Why, I never leave my children even to go to church, or to the movies, for I believe that a mother's place is at home."

"No. I didn't have time to read, or to keep up my music, or to belong to clubs, or to run around with my husband, as so many women do. In fact, I have no interests outside of my children. I devote my entire life to them."

It would shock that kind of woman to death to tell her that instead of being a good mother she is the worst possible mother that there is nothing easier to do than mothering, and that a child is better off with no mother at all than it is with too much mother.

To begin with, the woman who absorbs herself in her children to the exclusion of every other interest is not fit to rear them, because she becomes narrow, dull and prejudiced and old-fashioned in her point of view, while her children are open-minded, alert, progressive, avid for every new thing.

She has lost touch with the world as it is. She has fallen behind the procession and her children mock at her advice and deride her opinions.

The mother who has influence with her children in these days is not the one who sits at home and prays for their safe return. She is the up-and-coming mother who is in the forefront of everything and who keeps herself young and pretty and bright and attractive, and whose judgment her children defer to because they recognize that she knows the world better than they do, and because she can take the girls' boxes away from them if she wants to and play a better game of golf and bridge than her sons.

The woman who absorbs herself in her children always boasts of how dependent her children are upon her. She bristles with pride as she tells you that Mary wouldn't know how to buy a pocket handkerchief by herself, and that John is as helpless as a baby and can't even find a clean collar for himself, and that none of her children can do anything without mother.

And it never occurs to this poor, besotted woman that in fostering this mother-complex she has done them a greater wrong than malice itself could invent, for she has utterly unfitted them for life. She has made of them clinging vines instead of sturdy oaks. She has killed their initiative. She has made them afraid to decide anything for themselves. She has turned them into weaklings who will have to hang on to somebody's hand and have somebody guide their footsteps as long as they live.

Worst of all, she has soft-padded life so thoroughly for them that when they come up against the hard reality they are unable to endure it. Why, half the disgruntled husbands and wives are the product of devoted mothers, and their real grievance against their mates is that their wives and husbands don't spoil them as mother did.

Mary walls out that her husband is a brute, and that he is selfish and cruel and doesn't understand her, merely because he expects her to do her duty as a wife and because he doesn't sacrifice himself to her every whim and have his shoes patched in order that she may have her forty-seventh pair of fancy slippers. John thinks that his wife is selfish and callous and unreasonable because she doesn't wait on him hand and foot as mother did, and overlook all of his grouches and bad manners and abuse and excuse his philandering just because he did it, as mother has always done.

Furthermore, the mothers who absorb themselves in their children lay up grief for both parties for the future, for in the end they inevitably become the old woman of the sea around their children's necks. All of us know brilliant and talented young people who have had to forego their ambitions and shut the door of opportunity in their faces and stay on in some dead little village, or on the old farm, because mother couldn't bear to be separated from her darlings. All of us know lonely old maids and bachelors who have had to put love and home and children out of their lives because mother had wrung a promise from them never to leave her as long as she lived.

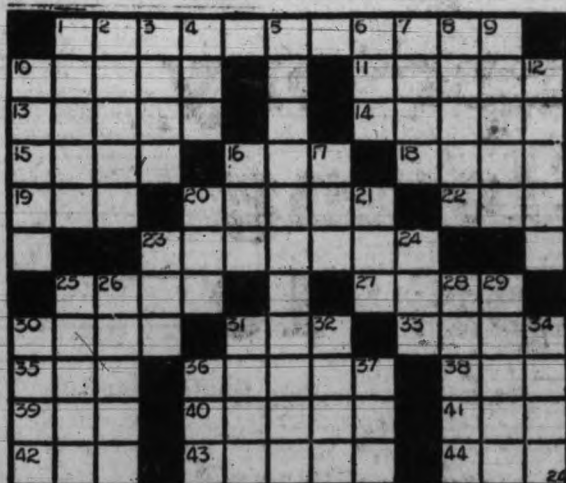

All of us know homes in which the mother-in-law is the constant source of discord. The mother has money enough to live where she pleases, or her children are able to support her in a hotel or her own apartment, but she has absorbed herself so long in her children that she has no interest apart from them, and so she must fasten herself like a parasite upon them, no matter if she wrecks their homes and bleeds them white of happiness.

So from every point of view the mother who absorbs herself in her children makes a fatal mistake. It is disastrous for all concerned, and the wisest thing that any woman ever does is to teach her children to stand alone and to fill her own life with interests so that she may have something to fall back upon when her boys and girls leave her to go about the business of life for themselves.

DOROTHY DIX.
